Caren,2000 The rich history of New York unfolds through the city's earliest publications. In 1693 William Bradford's broadside recounts a speech by Governor Benjamin Fletcher regarding Their Majesties Province of New York. Building from there, we are treated to major historic incidents including the execution of Nathan Hale 1776, Washington's farewell to his officers at New York's Fraunces Tavern 1783, Amistad 1839, early engravings of the city, the installation of the Statue of Liberty, the construction of Grand Central Terminal, and of many major landmarks through the 1939 World's Fair. Immigrants arriving at Ellis Island and reports on city workers combine with social and political scandal to show that some things never really do change. A wonderful gift for anyone who loves New York and its boroughs. **Arts & Humanities Citation Index** ,1987 A multidisciplinary index covering the journal literature of the arts and humanities.
