Het Raadsel Van De Graancirkels Feiten Analysen Hypothesen:

The Deepening Complexity of Crop Circles Eltjo Haselhoff, 2001 Though they are not just a recent phenomenon during the past few decades new crop circles have been reported worldwide at the rate of about one per day creating considerable controversy over their origin and cause Theoretical experimental physicist Eltjo Haselhoff presents a comprehensive overview of these beautiful and mysterious formations His research includes a scientific investigation of germination anomalies the dead fly enigma peculiar deposits geometrical ratios and balls of light In addition he reports on the first person accounts of people who have witnessed their appearance and even ventures into the study of the psychic perspective Haselhoff comes to some fascinating conclusions in the last chapter Circular Arguments After reading this book you will definitely agree with Conclusion Six Something very strange going on

Reframing Dutch Culture Dr Herman Roodenburg, Dr Peter Jan Margry, 2012-11-28 Dutch society has undergone radical changes in recent years due to complex political social and ethnic developments Reframing Dutch Culture examines issues of nationality ethnicity culture and identity in The Netherlands from an ethnological perspective linking past traditions and notions of identity with more recent transformations Weaving in a range of fascinating case studies contributors provide an interdisciplinary analysis of these changes The developments are related to wider European and global transformation processes highlighting the contribution of Dutch ethnology to the international debate This timely collection provides a fascinating and insightful window on modern Dutch society

In graancirkelkringen Theo Meder, 2006 In this fascinating book Meder explains how stories can grow into irrefutable exempla of truth Gradually they can become the building blocks of a belief system and determine people's conduct and worldview All the elementary questions are dealt with from different perspectives who makes the crop circles What do the farmers think of them How are the crop circles made and to what purpose What positions do journalists take Are there any messages to be found in crop circles and if so how can they be decoded What kind of research do the cereologists perform in the field If people believe in supernatural or extraterrestrial interference what else do they believe in Why do the cropies and cereologists think they are right and what arguments do sceptics have to think them wrong The author draws comparisons between the phenomenon in Britain and the Netherlands The book also contains a brief survey into the acclaimed ancient history of crop circles Although it is not the objective of the book to determine the absolute truth about crop circles in the end the readers will be provided with all the pros and cons in the debate to make up their own mind
