Book of Edward Christian Mythology (Volume II: God Does Not Change) Edward G. Palmer, 2005-06 Today Christianity is steeped in mythology and Christians are unwittingly headed towards Hell instead of Heaven They are far away from God and HIS Word How would you answer these three questions 1 Do you pray to Jesus 2 Do you worship Jesus 3 Do you give all the glory to Jesus If you've answered yes to even one you do not know God HIS only human begotten Son or HIS Word Many Christians have been programmed with mythology as explained in 2 Timothy and 2 Thessalonians However Jesus taught 1 Pray to God the Father Matthew 6:6-2 Worship only God the Father Matthew 4:10-3 That he comes in his Father's glory Mark 8:38 Inside Volume II God Does Not Change you'll learn that Jesus did not change God You'll learn why the trinity and salvation doctrines are false and lead Christians to Hell You'll also learn the true gift of Jesus and that the Holy Bible is actually a book mainly about God and not Jesus Let Scripture educate your heart Volume II of a four volume set that deals with Faith Prophecy and Christology Over 1367 Scriptures are cited and there are 238 illustrations tables lists in the entire four volume set Dig Deeper Nigel Beynon, Andrew Sach, 2010-02-03 When it comes to reading and understanding the Bible a dangerous phrase is used by non Christians and even some believers Well that's your interpretation It is true that without some care in your interpretation you can make the Bible say almost anything Dig Deeper is written out of the conviction that there is a right way to understand the Bible and a wrong way and the authors show us how to read it correctly Dig Deeper offers sixteen tools readers can use to get to the bottom of any Bible passage and discover its intended meaning Examples show how each tool helps readers discover something exciting and relevant in a passage and the Dig deeper exercises offer the opportunity to practice using the tools The book's brevity and easy to read format make it ideal for Christians who want to get the most out of their Bible **The Library** Sir John Young Walker MacAlister, Alfred William Pollard, Ronald Brunlees McKerrow, Sir Frank Chalton Francis, 1890 **Death to Deconstruction** Joshua S. Porter, 2022-11-15 Do you get the feeling that the most popular trend in faith circles is to abandon faith altogether Are you wooed by the voices inviting you to deconstruct Christianity If you're tempted to leave the faith of your youth you're part of a growing crowd But if you're questioning the questions you're not alone either Joshua Porter has been there and back again Now he's sharing the rollercoaster story of deconstruction in his characteristically thoughtful and unconventional voice Buckle in and get ready for a ride that will both take your breath away and restore your heart A heart wrenchingly honest account from someone who deconstructed and returned to tell the tale This lived experience ensures that this book is a compassionate guide for those wrestling with their faith faith that has been warped by the American culture dented by doubt and hurt by hypocrisy Mark Sayers author of Reappearing Church and A Non Anxious Presence Deliciously dark blisteringly honest and funny Like the best art this book will provoke not placate ruffle your feathers not soothe them work you up not calm you down John Mark Comer New York Times best selling author of The Ruthless Elimination of Hurry and Live No Lies

Grudem,2014-10-28 How do we know the Bible is God s Word What is sin and where did it come from How is Jesus fully God and fully man What are spiritual gifts When and how will Christ return If you ve asked questions like these then systematic theology is no abstract term It s an approach to finding answers every Christian needs to know Bible Doctrine takes a highly commended upper level textbook on systematic theology and makes it accessible to the average reader Abridged from Wayne Grudem s award winning Systematic Theology Bible Doctrine covers the same essentials of the faith giving you a firm grasp on seven key topics The Doctrine of the Word of God The Doctrine of God The Doctrine of Man The Doctrine of Christ The Doctrine of the Application of Redemption The Doctrine of the Church The Doctrine of the Future Like Systematic Theology this book is marked by its clarity its strong scriptural emphasis its thoroughness in scope and detail and its treatment of such timely topics as spiritual warfare and the gifts of the Spirit But you don t need to have had several years of Bible school to reap the full benefits of Bible Doctrine It s easy to understand and it s packed with solid biblical answers to your most important questions **The House That God Built** Zebedee King,2016-02-27 By looking at the nightly news and simply observing for themselves the denigration of homes and communities across our country many would agree that family foundations are cracking and shifting out of place This has resulted in untold devastation within the home and our other social systems therefore many households and lives have simply given way and collapsed under the weight of a host of societal pressures Many believe that a generation of social experimentation along with our cultures fixation at redefining virtually every foundational institution especially the first human institution marriage are responsible for placing the family and society on very shaky ground indeed leaving a very dubious moral and economic legacy for successive generations When cracks begin to appear upon the walls of a house it may indicate a shifting or damaged foundation which may indicate poor foundation work As a result builders typically reexamine the blueprints the master plan to determine the manner and materials with which the house and foundations built in order to pinpoint and repair a weak or damaged foundation It is the authors conviction that in many households within society weak or faulty spiritual and moral foundations have been laid resulting in the cultural cataclysm we witness throughout our land In his book The House that God Built Gods Master Plan for Marriage and His Blueprint for Blessing Book One of his Strong Foundation for Strong Families series the author discusses the need

for a RE Vision of marriage and the family but not by redefining replacing or removing these honorable foundations and pillars which have supported societies from the beginning of time Rather by employing the word RE Vision he calls for a refocus a fresh new look at Gods original design for the marriage and family This plan is found in Gods Holy Word specially the first two chapters of the Book of Genesis because this he feels is where marriage family and social systems began Therefore the book is a thorough exposition of the first chapters of Genesis which explore the motivations and the methods through which God Himself built His house the heavens and the earth This study provides keen spiritual and practical insights as to how we can build our homes according to Gods plans so as to receive His best blessings upon our homes and upon our communities

What Satan Doesn't Want you to Know Felix Wantang, 2022-06-02 This book reveals the limitations of Satan how to resist him and the tools that you need to spiritually draw closer to God through Jesus Christ When you read this book you will come to understand the crafty schemes that Satan uses to operate in the world and why you should never be afraid of him This book will help you look at Satan through the eyes of Jesus Christ and come to the realization that Satan is afraid of humanity In life in order to fight and successfully defeat your enemies you must first understand your enemies and their limitations You must use weapons capable of destroying the forces of your enemies otherwise you will be fighting a lost battle Jesus Christ is the light of God in the garden of Eden Satan disguised himself when he deceived Eve because he knew the strength and weakness of Eve he also knew that to destroy Adam you must go through Eve Adam and Eve on the other hand were oblivious of Satan s true identity strength and limitations which explains why they failed and subsequently gave birth to the sins of the world In the wilderness Satan did not try to disguise himself when he tempted Jesus Christ because Jesus was cognizant of Satan s true identity limitations his source of strength and what it takes to humiliate or resist him Jesus knew exactly when and how to tell Satan to back off When the giant Goliath attacked the Israelites the young David with no warfare experience decided to confront Goliath because he knew and understood the limitations of the giant From a supernatural standpoint David knew that nothing is more powerful than the true living God The truth is that Satan doesn t want you to know that he is vulnerable inferior to you and afraid of humanity he also doesn t want you to know that he is fighting a lost battle God has given you everything you need to resist and humiliate Satan because the battle was fought on the cross and Jesus Christ has overcome the world I have told you these things so that in me you may have peace In this world you will have trouble But take heart I have overcome the world John 16:33 When you read this book you will come to the conclusion that Satan is afraid of you Jesus loves you

Michael Jean Nystrom-Schut, 2015-11-19 In the mind of each person on the planet a set of notions and ideas of God or gods reside Some of these systems are basic and simple Others are highly complex and complicated Some borrow their God god notions from authority or from others they know Others are much more original eclectically piecing together many separate parts from multiple sources No two people in the world experience and translate God gods in the same way And this is what makes things so interesting As I have encountered this wonderful life I have also bumped up against countless people who were in the position to explain exactly who God was and was not They were quite sure of themselves and anxious to impart this wisdom to me But because I had a mind and heart of my own this put me on the outside looking in for much of my life We all come to a place where we realize we must make our minds up as to what we will and will not do how we will think and who we will be As I have encountered them and their God gods I have found my own way through this foggy maze and discovered a modicum of peace and reconciliation in the process This is the massive task of all of us as well as why I needed to lay it out to you in this lengthy 2 part book **Bible Doctrine, Second Edition** Wayne A. Radant,2023-01-11 Grace for Service is a thoroughly researched biblically grounded personally transformational study of the Holy Spirit's enabling grace for ministry designed to equip leaders who guide the

church in its stewardship of God's gifts and to enrich the understanding of Christians who want to go deeper in this important subject. This book serves up an exceptionally broad buffet of historical, biblical, and theological information to help the reader engage the many questions associated with spiritual gifts. In the process, it offers a fresh perspective that transcends typical "find and use your gift" teaching and moves beyond the long-standing battles over miraculous gifts. It calls the follower of Jesus to view all dimensions of life through the lens of the Spirit's gracious equipping and enabling work. *Grace for Service* is a must-have resource for anyone who teaches about the Spirit's gifts in church and school settings and an essential read for believers who are passionate about the topic but dissatisfied with what they currently know.
