Library of the Theological Seminary (Classic Reprint) Harold McAfee Robinson, 2015-07-16 Excerpt from Library of the Theological Seminary IF the readers of this little book derive even one half the inspiration from it that the writer has derived from his personal or his indirect acquaintance with those whose lives are briefly told herein the book will not fail of its purpose It is an excursion into life of varied scope and significance particularly for the sake of young men whose eyes are eagerly scanning the road ahead and who want to win to the uplands in clean and straightforward fashion without trampling others under by the way The men of this book had no easy time of it as each followed God's imperative call to his own soul How they fared and how others fared because of them and their obedience is in each case a very plain and practical exhibit of effects produced by known causes These men proved by their deeds that one's business or profession and one's religion are partners which are able to get on eminently well together for big ends in varied service About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Library of the Theological Seminary J. Christie Wilson, 2018-01-17 Excerpt from Library of the Theological Seminary Princeton New Jersey Long ago there was no Christmas day in the world The years came and went and some days were brighter than others but not one of those bright days was Christmas day Do you wonder why that was It was because Jesus Christ had not come to earth But one year He did come and was born a little baby in Bethlehem and now all over the world we keep Christmas day as one of the gladdest days in all the year because it takes our thoughts back to the time when Jesus Christ was born About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Library of the Theological Seminary, Vol. 7 (Classic Reprint) John M. Krebs, 2015-07-12 Excerpt from Library of the Theological Seminary Vol 7 The present volume is presented to the world with much diffidence as it can lay no claim whatever to depth of thought and but little to originality of illustration The writer set sail for the island of Ceylon as a Wesleyan Missionary in the early part of the year 1825 and having received permission to visit England from the committee of the society to which he has the honor to belong he returned by what is called the overland passage the extra

expense above the sum usually granted to missionaries returning from the East being defrayed from his own resources It was hoped that in this route more frequent opportunities of usefulness would present themselves and that some information might be gained that would be interesting to those engaged in the great work of evangelizing the world He endeavored to remember in all places that he was commissioned from on high to preach the gospel to every creature and he was therefore desirous to embrace every possible opportunity of making known the unsearchable riches of Christ either by the distribution of tracts or by familiar conversations with the people He kept a journal of his travels for the use of his own personal friends from which the present publication derives its origin The descriptions and reflections are principally in the exact form in which they appear in the notices kept during his actual wanderings written many times under most unfavorable circumstances and a few historical remarks have since been inserted in different parts of the work as it was supposed from the humility of its pretensions that its circulation would be chiefly confined to a class of persons who have few other means of acquiring information on the subjects embraced in these pages The publication has been delayed some time since the completion of the MS from circumstances with which it is unnecessary to trouble the reader It is the principal aim of the writer to illustrate the Bible and if by this work one doubt of the unbeliever be removed or one ray of light be shed upon any passage hitherto thought obscure if one mind be brought to understand the blessed Book more perfectly or one heart be brought to love it with greater sincerity to the living God shall be all the praise About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Simisi, 2016-11-01 Pursuit of Perfection explores the significance of the perfection motif in the Epistle to the Hebrews It addresses the controversial interpretation of *teleios* perfection in Hebrews where this notion is so central to the argument of the book The investigation examines the meaning of perfection in an attempt to discover its significance on Hebrews theology The need for the study is the lack of adequate treatment of the subject in the last three decades The discussion focuses on the precise meaning to be attached to the notion of perfection and its significance for Hebrews interpretation Through an exploration of major interpretative approaches to the notion of perfection and its usages in classical world Second Temple Judaism and New Testament literature especially Hebrews The author argues that the notion of perfection has an eschatological significance and is linked to better provisions of the new covenant which guarantee believers salvation and eternal inheritance The author sums up his argument that the call to pursue the goal of perfection is a call for commitment to the gospel message as Christians of all ages follow the example of the Christ the one who endured suffering of the cross and its despised shame in order to bring many followers to their future eternal glory
