Licensed To Kill A Field Manual For Mortifying Sin:

Licensed to Kill Brian G. Hedges, 2011-07 Your soul is a war zone Know your enemy Learn to fight Rather than aiming at simple moral reformation *Licensed to Kill* aims at our spiritual transformation This field manual focuses on the most critical information regarding our enemy and gives practical instruction concerning the stalking and killing of sin **Killing Calvinism** Greg Dutcher, 2012-06 Are we actually living the message of grace When a corrective like this comes from within a movement it is a sign of health John Piper Something wonderful is happening in Western Evangelicalism A resurgence of Calvinism is changing lives transforming churches and spreading the gospel The books are great the sermons are life changing the music is inspirational and the conferences are astonishing Will this continue or will we who are part of it all end up destroying it That depends on how we live the message As insiders of the Calvinist resurgence there are at least eight ways we can mess everything up Learn what they are and how to avoid killing off a perfectly good theology **Innocent Blood** John Ensor, 2011-09 The gospel of Christ is the gospel of life and the Christian s defining reality Yet the shedding of innocent blood primarily through abortion has now marked an entire generation *Innocent Blood* explores a series of questions so as to reveal vital connections between the gospel and the call to defend the unborn These questions include What does the Bible mean when it says that life is in the blood What does the Bible say about blood guilt How is it that we are all stained by it and accountable for it even though few of us have taken a human life What remedy does God provide for the guilt of shedding innocent blood What are we to do when confronted with the shedding of innocent blood and where does our courage to take action come from What is the link between protecting the innocent and proclaiming good news to the guilty Not a book on social issues per se nor a book on missions *Innocent Blood* integrates the two and calls us to courageously challenge the powers of death with the gospel of life **Hit List** Brian G. Hedges, 2014-11-01 The Christian life is a war and one of your most lethal enemies hangs its helmet inside your heart This infernal internal enemy is sin which even after new birth continues to reside in every believer As followers of Jesus we ve been given a simple mission regarding sin search and destroy Put it to death But in the words of Cornelius Plantinga Jr sin has a thousand faces It is one thing to oppose sin in principle quite another to actually do the bloody work of crucifying specific sin patterns in our lives Sometimes these patterns are difficult to detect Always they fight back tooth and nail mounting vehement resistance in counter maneuvers of a variety and complexity that would send General Schwarzkopf s mind spinning like a tilt a whirl The most famous faces of sin are the Seven Deadly Sins pride envy wrath sloth greed gluttony and lust Not merely corrupting vices in themselves these seven are gateway sins leading to countless others They are the leading undercover operatives for the world the flesh and the devil that evil complex of powers arrayed against our souls And while we may recognize these sins by their names we are often misled by the subtlety of their methods and ways These sins are masters of disguise adept at masking their true nature in charades of harmlessness acceptability and fun In *Hit List* Brian Hedges helps us take aim at the seven deadly sins by

providing detailed dossiers for each one and equipping us with rich gospel resources for replacing vice with the virtue of Christ

Good News About Satan Bob Bevington, 2015-01-01 The bad news of Satan while serious is overshadowed by the good news of Jesus Here are the plain teachings of Scripture regarding Satan demons and spiritual warfare from a perspective that makes paramount the sovereignty of God and the finished work of Christ Containing none of the unfruitful speculations so common to this topic we believe it differs significantly from virtually every other book on the subject See more at <http://www.cruciformpress.com/sthash.cXvo7FHQ.dpuf>

Friends and Lovers Joel R. Beeke, 2012-02 Marriage aims at the glory of God through intimate companionship God meant husband and wife to walk together talk together work together and sleep together As the Puritans said God did not make the woman out of man's head to control him or out of his feet for him to trample on her but out of his side to be embraced near to his heart Here is a book of practical encouragements for two key aspects of marriage companionship and sex Dr Joel Beeke draws upon the wisdom of the Holy Scriptures and over three decades of pastoral ministry to present a dozen practical principles for fanning into flame the fire of love between husband and wife The Bible has a higher aim than a satisfying marriage namely glorying in God forever Marriage will one day be done made obsolete by the magnificent relationship between Christ and His people Even now marriage is neither the chief purpose nor the highest joy of man But the Scriptures do call wedded people to glorify God here and now through their marriages Dr Beeke's book aims to assist them in this In Part I Friends the book explores the meaning cultivation and threats to friendship in marriage Friendship is that personal bond of shared life that brings people together in delightful harmony It is rooted God's created order of making men and women in His image We broke this harmonious order when our first parents sinned against God simultaneously turning against each other But Christ is the great peacemaker and friendship restorer Cultivating friendship with your spouse is hard work but profoundly rewarding It revolves around sharing life together The book gives guidance in how to share yourself with your spouse through the gifts of time discussing decisions listening to each other's feelings talking about how God is at work in your lives praying together building trust laughing together giving thanks pleasing your spouse and finding shared interests It also walks the reader through the minefields of giving and receiving correction honoring in laws having balanced friendship with others and supporting on another in crises Above all we must remember that our most important friendship is with our Lord Jesus Christ who alone can walk with us through life death and eternity In Part II Lovers Dr Beeke sets forth several ways in which the gospel energizes married Christians to enjoy sex in holy delight The words gospel sex and holy may not seem to go together This book shows that in reality sexual love between husband and wife is both a holy duty pleasing to God and blessed privilege empowered by Christ's grace Rather than splitting our lives into different compartments such as sex and religion God calls us to respond to Christ's mercies by offering our whole existence to Him as a living sacrifice The Bible teaches us doctrines like the image of God in man the creation mandate God laid upon the human race the moral law for marriage forgiveness of sins by faith in Christ

sanctification by divine grace Christ's call to take up our cross adoption by God and turning from idols to give thanks to God All these doctrines have massive implications for our sexual relationship with our spouses However these doctrines must do more than sit in our minds they must sink into our hearts In Reformed experiential fashion Dr Beeke leads the reader to know believe feel and act based upon God's Word applied by God's Spirit **Gospel Evidences of Saving Faith** John

Owen,2016-04-26 Although believers have a right to every spiritual comfort in Christ remaining sin and temptation often hinder them from enjoying these blessings In *Gospel Evidences of Saving Faith* John Owen recognizes that faith is the root on which all genuine comforts grow and these comforts are ordinarily shared by believers in proportion to the evidences of true faith in their lives Owen investigates the proper operations of faith that demonstrate its genuineness encouraging us to cling fast to Christ pursue holiness commune with God through worship and bring our souls into a special state of repentance Do you wish to glorify God more and have greater enjoyment in the comforts of Christ Find inspiration in this pastoral consideration of the evidences of saving faith Table of Contents 1 First Evidence Choosing Embracing and Approving God's Way of Saving Sinners through the Work of Christ Alone 2 Second Evidence Habitually Approving of the Holiness and Obedience God Requires as Revealed in Scripture 3 Third Evidence Consistently Endeavoring to Keep All Grace in Exercise in All Ordinances of Divine Worship 4 Fourth Evidence Bringing the Soul into a Special State of Repentance Series Description Interest in the Puritans continues to grow but many people find reading these giants of the faith a bit unnerving This series seeks to overcome that barrier by presenting Puritan books that are convenient in size and unintimidating in length Each book is carefully edited with modern readers in mind smoothing out difficult language of a bygone era while retaining the meaning of the original authors Books for the series are thoughtfully selected to provide some of the best counsel on important subjects that people continue to wrestle with today **Christ All Sufficient** Brian G.

Hedges,2016-09-30 A thousand schemes and to do lists may threaten to enslave you but Christ died to free you from them and he is enough Paul's letter to the Colossians is short but it delivers a roundhouse kick to religion as it reveals the complete and inexhaustible sufficiency of Jesus Christ Jesus really is everything we need Paul revealed in the good news that had captured his heart He never got over it and never moved beyond it He knew that no one could advance beyond the essential message of the crucified risen and exalted Christ And he didn't want anyone to retreat from it *The Two Fears*

Chris Poblete,2012-04 You can fear God or everything else Fear wisely Most Christians will agree that we ought to love our God But what about fearing God The Bible says that the fear of the Lord is the beginning of wisdom Proverbs 9:10 yet a broad survey of modern evangelicalism reveals that the fear of God is hardly regarded as such anymore Many Christians seem to wrongly assume that the gospel of grace trumps the fear of the Lord Yet it is only the God of the gospel who is truly worthy of our reverential fear The purpose of this book is to equip Christians with a healthy view of fearing God and to illustrate how it reconciles with the gospel of God's grace to sinners *A World Upside Down* Charles Fry,2015-09-01 As he

approached the final decade of his life Martin Luther observed that the beginning and end of all his theology was simple faith in Christ This faith in Christ brought peace and joy to his soul and also turned 1500s Europe upside down through the Reformation A World Upside Down is a collection of four essays that describe this faith 1 The first essay describes the intersection of this faith with Luther's remarkable life giving him great assurance before God yet placing him at war with the world 2 In the second essay Luther's Understanding of the Gospel is discussed what faith in Christ is the need we all have for the Savior and the Christian's humble dependence on the good news of God's unchanging grace 3 The third essay That No Flesh Should Glory in God's Presence shares Luther's teaching that the gospel outlined in chapter two gives all glory to God a God's wisdom revealed in the gospel message humbles man's pride and wisdom and exalts God alone b The gospel produces good works in the believer's life to the glory of God 4 The final essay Christ's Church shares Luther's thought that the forgiveness of sins through faith in Christ is central to the life of the church The church is made up of forgiven and weak sinners who are dearly loved by God and carried by him through their earthly pilgrimage This essay summarizes the book applying Luther's theology to us in the 21st century Martin Luther's life and theology are shared with the hope that we like Luther would grow in having simple uncluttered faith in Christ alone for the glory and honor of God

Getting Back in the Race Joel R. Beeke, 2011-11 What is backsliding really Is it serious What can be done about it The Christian life is a race a marathon Through the gospel God summons us to sustained and persevering effort He empowers his children by grace free and undeserved blessing through Christ But he does not carry them to heaven on flowery beds of ease Faith is a living athletic grace God's mercy motivates Christians and energizes them to press on and overcome great obstacles Christ blazed the trail before us He now calls us to follow Him to the end Hebrews 12:1-2 Looking unto Jesus that is how we persevere In him is everything we need But realistically speaking Christians are not always pressing forward Sometimes they wander off the narrow path slip and injure themselves To the confused and injured runner this book says God can help you You can finish this race and finish it well Drawing from the wisdom of the Scriptures and aided by the insights of godly Bible teachers through the centuries Getting Back in the Race addresses the age old problem of backsliding Backsliding is a season in the life of a professing Christian when his sin grows stronger and his obedience to God declines The beginning of the book uncovers signs of sliding into a spiritual rut for this is often more subtle than falling into scandalous sins The rest of the book shows that there is hope for the backslider God is so amazing Even though our backsliding insults him dishonors him grieves him and pushes away his love still he calls us to return to him When you grasp hold of God's methods by faith you discover that Christ has grasped hold of you Our spiritual Physician has potent medicines to heal his people from their injuries and get them back on track to finish the race This book is a wake up call to careless Christians and an encouragement to all believers to keep running to the Lord
