## **Life Is Just What You Make It My Story So Far:**

*Life Is Just What You Make It* Donny Osmond, Patricia Romanowski, 2000-05-01 At age five Donny Osmond first sang his way into North America's heart. By the time he was a teenager he had four separate careers successfully underway as a solo artist, as a member of the Osmond Brothers as part of a singing duo with his sister Marie, and as the co-host of a highly successful network television variety show. But by the early 80s public perception had changed and Donny discovered that thanks to his squeaky clean image his very name had become poison. In this inspiring autobiography Donny tells what it is like to survive the ups and downs of the entertainment business while trying to keep his faith, dignity, and sense of humor intact. He recalls memories of his experiences with a variety of celebrities from Groucho Marx and Lucille Ball to Michael Jackson and Howard Stern. He shares how he finally achieved resolution through marriage, fatherhood, perseverance, and self-acceptance. And he recounts the long and difficult road leading to a renewed recording career, nearly two thousand triumphant performances in *Joseph and the Amazing Technicolor Dreamcoat*, and a new nationally syndicated talk show. The millions of people who watched Donny grow up are now embracing the man whose life and career exemplify the classic values that so many now share.

*Honest: My Story So Far* Tulisa Contostavlos, 2012-09-27 Tulisa Contostavlos is one of the most talented and high profile recording artists working in the UK today. She has three platinum N Dubz albums, four MOBO awards, a groundbreaking drama series, two documentaries, a MIND award, and an X Factor judge's win under her belt. Not bad for a girl who's not yet twenty-four. But this is not just a tale of glittering success. Tulisa grew up on a tough London estate and left school with no qualifications as she struggled to cope with deep-seated emotional problems while caring for her mother alone. She has seen first-hand what drugs, alcohol, gang culture, and violent relationships can do to young people, but she has come through it all to become the confident, inspiring artist she is today. After taking her little muffins, Little Mix, to the winning spot of the X Factor at the end of 2011 and with her long-awaited solo album being released later this year, the future is bright for Tulisa. Told in her own words, this is her story.

## **Music in American Life** Jacqueline

Edmondson, 2013-10-03 A fascinating exploration of the relationship between American culture and music as defined by musicians, scholars, and critics from around the world. Music has been the cornerstone of popular culture in the United States since the beginning of our nation's history. From early immigrants sharing the sounds of their native lands to contemporary artists performing benefit concerts for social causes, our country's musical expressions reflect where we as a people have been as well as our hope for the future. This four-volume encyclopedia examines music's influence on contemporary American life, tracing historical connections over time. *Music in American Life: An Encyclopedia of the Songs, Styles, Stars, and Stories That Shaped Our Culture* demonstrates the symbiotic relationship between this art form and our society. Entries include singers, composers, lyricists, songs, musical genres, places, instruments, technologies, music in films, music in political realms, and music shows on television.
