You Never Write!* Joyce Antler, 2007-04-02 In *You Never Call You Never Write* Joyce Antler provides an illuminating and often amusing history of one of the best known figures in popular culture the Jewish Mother Whether drawn as self sacrificing or manipulative in countless films novels radio and television programs stand up comedy and psychological and historical studies she appears as a colossal figure intensely involved in the lives of her children Antler traces the odyssey of this compelling personality through decades of American culture She reminds us of a time when Jewish mothers were admired for their tenacity and nurturance as in the early twentieth century image of the Yiddishe Mama a sentimental figure popularized by entertainers such as George Jessel Al Jolson and Sophie Tucker and especially by Gertrude Berg whose amazingly successful Molly Goldberg ruled American radio and television for over 25 years Antler explains the transformation of this Jewish Mother into a brassy voiced smothering and shrewish scourge in Irving Howe's words detailing many variations on this negative theme from Philip Roth's Portnoy's

Complaint and Woody Allen's Oedipus Wrecks to television shows such as The Nanny Seinfeld and Will and Grace But she also uncovers a new counter narrative leading feminist scholars and stand up comedienne to see the Jewish Mother in positive terms Continually revised and reinvented the Jewish Mother becomes in Antler's expert hands a unique lens with which to examine vital concerns of American Jews and the culture at large A joy to read You Never Call You Never Write will delight anyone who has ever known or been nurtured by a Jewish Mother and it will be a special source of insight for modern parents As Antler suggests in many ways we are all Jewish Mothers today **Solariad** Surazeus Astarius,2017-10-15 Solariad of Surazeus Guidance of Solaria presents 114 920 lines of verse in 1 660 poems lyrics ballads sonnets dramatic monologues eulogies hymns and epigrams written by Surazeus 2006 to 2011 **Memory, Voice, and Identity** Feroza Jussawalla,Doaa Omran,2021-03-31 Muslim women have been stereotyped by Western academia as oppressed and voiceless This volume problematizes this Western academic representation Muslim Women Writers from the Middle East from Out al Kouloub al Dimerdashiyah 1899 1968 and Latifa al Zayat 1923 1996 from Egypt to current diasporic writers such as Tamara Chalabi from Iraq Mohja Kahf from Syria and even trendy writers such as Alexandra Chreiteh challenge the received notion of Middle Eastern women as subjugated and secluded The younger largely Muslim women scholars collected in this book present cutting edge theoretical perspectives on these Muslim women writers This book includes essays from the conflict ridden countries such as Iran Iraq Palestine Syria and the resultant diaspora The strengths of Muslim women writers are captured by the scholars included herein The approach is feminist post colonial and disruptive of Western stereotypical academic tropes **Solatium** Becca Mills,2014-12-01 Beth Ryder's dangerously sexy and seemingly all powerful boss has disappeared leaving an increasingly desperate group of Nolanders and one inept Second in charge of policing other worldly activity across much of North America What better time for a legendary monster to emerge from the Second Emanation and make New York City its hunting ground But little does Beth know that dealing with the voracious Thirsting Ground will pale in comparison to a shocking betrayal that threatens to destroy her new life among the Nolanders Solatium is Book 2 of the Emanations series The first book Nolander is available at no cost The Emanations Series Of all the beings that have lived on Earth what if just a few had the power to make new realities according to their desires What would they create The Second Emanation a shadow world where ancient creatures persist where humanity's dominance is far less certain where wonder competes with horror A world like an autumn forest its realities as multiple and layered as fallen leaves The world that gives us our gods In Becca Mills's Emanations series this strange and magical world crosses paths with a seemingly ordinary young woman from the American Midwest It'll never be the same again Series keywords fantasy urban fantasy contemporary fantasy fantasy series speculative fiction hard fantasy dark fantasy paranormal female protagonist female main character science fantasy science fantasy action adventure fantasy adventure lost quest journey mission voyage hero monsters deities gods demons dragons dying earth magic alternative history parallel world outlaw peril **Faces Of Miller Women** Silima

Nanda,2007 Study on female characters in the plays of Arthur Miller 1915 2005 American playwright *Bruce Springsteen, Cultural Studies, and the Runaway American Dream* Jerry Zolten,2016-05-23 There is little question about the incredible power of Bruce Springsteen s work as a particularly transformative art as a lyrical and musical fusion that never shies away from sifting through the rubble of human conflict As Rolling Stone magazine s Parke Puterbaugh observes Springsteen is a peerless songwriter and consummate artist whose every painstakingly crafted album serves as an impassioned and literate pulse taking of a generation s fortunes He is the foremost live performer in the history of rock and roll a self described prisoner of the music he loves for whom every show is played as if it might be his last In recent decades Puterbaugh adds Springsteen s music developed a conscience that didn t ignore the darkening of the runaway American Dream as the country greedily blundered its way through the 1980s and into the sociocultural detritus of a new century paralysed by isolation and uncertainty Bruce Springsteen Cultural Studies and the Runaway American Dream reflects the significant critical interest in understanding Springsteen s resounding impact upon the ways in which we think and feel about politics religion gender and the pursuit of the American Dream By assembling a host of essays that engage in interdisciplinary commentary regarding one of Western culture s most enduring artistic and socially radicalizing phenomena this book offers a cohesive intellectual and often entertaining introduction to the many ways in which Springsteen continues to impact our lives by challenging our minds through his lyrics and music [The New-York Mirror](#) ,1833 **Christian Register and Boston Observer** ,1926
