## **Life Of Christ In Stereo The Four Gospels Combined As One:**

*The Life of Christ in Stereo* Johnston M. Cheney, 1969 The author has coordinated the four Gospels in such a way that the different accounts supplement each other and give us a fully developed picture of the life of our Lord The book is particularly important for those who think there may be discrepancies in the four Gospels Cheney's book clearly shows that the four writers of the Gospel do not disagree with each other nor are there any differences which indicate that there are errors in the Gospels Back cover

**Why are There Differences in the Gospels?** Mike Licona, 2017 Why are there differences in the stories of the Gospels Licona turns to Greek classicist Plutarch for an answer assessing differences that appeared when Plutarch told the same story more than once in his Lives He suggests the differences in the Gospels often resulted from their authors employing the same compositional devices used by Plutarch

**Why Are There Differences in the Gospels?** Michael R. Licona, 2016-11-17 Anyone who reads the Gospels carefully will notice that there are differences in the manner in which they report the same events These differences have led many conservative Christians to resort to harmonization efforts that are often quite strained sometimes to the point of absurdity Many people have concluded the Gospels are hopelessly contradictory and therefore historically unreliable as accounts of Jesus The majority of New Testament scholars now hold that most if not all of the Gospels belong to the genre of Greco Roman biography and that this genre permitted some flexibility in the way in which historical events were narrated However few scholars have undertaken a robust discussion of how this plays out in Gospel pericopes self contained passages Why Are There Differences in the Gospels provides a fresh approach to the question by examining the works of Plutarch a Greek essayist who lived in the first and second centuries CE Michael R Licona discovers three dozen pericopes narrated two or more times in Plutarch's Lives identifies differences between the accounts and analyzes these differences in light of compositional devices identified by classical scholars as commonly employed by ancient authors The book then applies the same approach to nineteen pericopes that are narrated in two or more Gospels demonstrating that the major differences found there likely result from the same compositional devices

employed by Plutarch Showing both the strained harmonizations and the hasty dismissals of the Gospels as reliable accounts to be misguided Licona invites readers to approach them in light of their biographical genre and in that way to gain a clearer understanding of why they differ

**The New Testament** Donald A. Hagner, 2012-11-15 This capstone work from widely respected senior evangelical scholar Donald Hagner offers a substantial introduction to the New Testament Hagner deals with the New Testament both historically and theologically employing the framework of salvation history He treats the New Testament as a coherent body of texts and stresses the unity of the New Testament without neglecting its variety Although the volume covers typical questions of introduction such as author date background and sources it focuses primarily on understanding the theological content and meaning of the texts putting students in a position to understand the origins of Christianity and its canonical writings Throughout Hagner delivers balanced conclusions in conversation with classic and current scholarship The book includes summary tables diagrams maps and extensive bibliographies

[Can We Trust the Bible on the Historical Jesus?](#) Bart D. Ehrman, Craig A. Evans, Robert B. Stewart, 2020-09-22 This book features a learned and fascinating debate between two great Bible scholars about the New Testament as a reliable source on the historical Jesus

Bart Ehrman an agnostic New Testament scholar debates Craig Evans an evangelical New Testament scholar about the historical Jesus and what constitutes history Their interaction includes such compelling questions as What are sound methods of historical investigation What are reliable criteria for determining the authenticity of an ancient text What roles do reason and inference play And of course interpretation Readers of this debate regardless of their interpretive inclinations and biases are sure to find some confirmation of their existing beliefs but they will surely also find an honest and well informed challenge to the way they think about the historical Jesus The result A more open better informed and questioning mind which is better prepared for discovering both truth and contrivance The debate between Ehrman and Evans along with Stewart s introductory framework make this book an excellent primer to the study of the historical Jesus and readers will come away with a deeper appreciation for the ongoing quest for the historical Jesus

**Jesus, Contradicted** Michael R. Licona, 2024-05-28 The differences and discrepancies in the Gospels constitute the foremost objections to their reliability and the credibility of their message Some have tried to resolve Gospels contradictions with strained harmonization efforts Many others conclude that the Gospels are hopelessly contradictory and therefore historically unreliable accounts of Jesus In *Jesus Contradicted* New Testament scholar Michael Licona shows how the genre of ancient biography to which the Gospels belong actually allows biographers to be flexible in how they report events construct a narrative and make an argument Licona demonstrates that the intentional changes to the Jesus tradition by the Evangelists reveal that the differences in how the Gospels report events are not grounds for their rejection Instead they are a result of the Gospel writers employing standard literary conventions common in their time for writing ancient biography Licona introduces readers to the genre of ancient biography through Plutarch who wrote 48 of the 90 extant biographies written within 150 years of Jesus giving numerous examples of compositional devices employed by Plutarch and comparing them with instances in the Gospels where the Evangelists appear to use similar techniques Licona also examines Theon s *Progymnasmata* a first century textbook that provides six techniques for paraphrasing one s sources when writing a narrative In doing so he helps readers understand why the Gospels report many events differently Finally Licona concludes by addressing the thorny question of whether the editorial moves commonplace in ancient biography are compatible with the doctrines of the divine inspiration and the inerrancy of Scripture Rather than trying to resolve discrepancies by bending the Gospel narrative which risks making them say things they aren t saying *Jesus Contradicted* situates the Gospels within their proper context and helps readers account for differences in the Gospels in a cohesive and historically cogent way

**Walk with Me** Bill Mowry, 2021-03-02 Have we over complicated over systematized and over formalized making disciples When our hearts are changed by Christ it s natural that we should want to help others come to know Him too And while Scripture clearly sets forth how to do so modern Western society has formalized professionalized and systemized discipling to a point that it seems too complicated to practice What happened to the simple heart to heart ministries of the New Testament In *Walk with Me* you ll return to the

Wayne House, Timothy J. Demy, 2014-02-02 The Bible is a ready resource for guidance on topics and questions that often perplex believer and curious nonbeliever alike But where do you begin to look for the answers In fact how do we know for sure that we can even trust the Bible to provide the answers being sought Answers to Questions About the Bible provides answers to the origins and authority of the Bible along with answers to such questions as Who wrote the Bible and when How reliable is the Bible when it comes to history science ethics or other topics How do we know that the Bible we have today is the original Word of God Why were some books included in the Bible and others left out Written in question and answer format for easy access these quick reference guides provide succinct summaries of authoritative information so readers can be confident of what they read and be prepared to discuss these topics with family friends or neighbors accurately      *When Did Jesus Become God?* Bart Ehrman, Michael F. Bird, Robert B. Stewart, 2022-10-25 How did early Christians come to believe that Jesus of Nazareth was the divine Son of God This is the central question in this book When Did Jesus Become God is a transcribed conversation between Bart Ehrman and Michael Bird with a helpful historiographic introduction by Robert Stewart that helps readers understand the conclusions reached by Ehrman and Bird Ehrman contends that neither Jesus himself nor the apostles believed that Jesus was divine during Jesus life it was only after Jesus was crucified and the apostles began to have visions and revelations that they became convinced that Jesus was a godlike figure who was sent by God Over an extended period of time the early church solidified its belief that Jesus was God first with an inventive claim that Jesus was exalted to divinity then later by seeing him as a preexistent angel become human Bird disagrees Based on different historiographic criteria and different readings of Scripture he asserts that Jesus himself claimed to be the divine Son during his lifetime and that many of the apostles believed Jesus to be identified with God s own prerogatives and identity In Bird s account of the early church Jesus was the preexistent Son of God from the beginning who then became human exercised the role of Israel s Messiah and was exalted as God the Father s vice regent      **English Language Bible Translators** William E. Paul, 2015-07-11 More than 300 Bible or New Testament translations including the popular King James Version have been produced in English in the past 600 years These various translations both obscure and well known were undertaken by diligent individuals working either alone or in committees known to number more than 100 This reference work provides information about the men and women who produced English language translations Arranged alphabetically by surname each of the 346 entries includes biographical and vocational information notes on the various editions produced samples of their translation and other pertinent facts In cases where translations were done by committee the chairpersons and project

Edmond Hiebert, 1975-09 This book guides the reader through the Gospels Acts Pauline epistles and the Non Pauline epistles His readable style makes the collection an excellent companion for both the scholar and the layman *Library of Congress Catalogs* Library of Congress, 1976 A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g. Christian Jewish Muslim etc. agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease **Life Is Short Compared to Eternity** Richard Traylor, 2010-11 Who was and is Jesus Christ What is the gospel of Jesus Christ Is the Bible trustworthy How can the gospel of Jesus Christ benefit you Apologetics What are the central teachings of Islam atheism and secular socialism and why do these fail to measure up to Biblical Christianity Polemics What are the major yet to be fulfilled biblical prophecies and how will these affect you Prophecy The Bible says that God created you in His image that God loves you and wants to have a personal relationship with you How can you know God and have a personal relationship with Him How can you grow and mature spiritually Spiritual Growth How can you share your faith with others Witnessing and Evangelism How can you help other believers grow and mature spiritually Discipling Come along with me and consider the answers to these and other questions that have eternal significance to you This will be an exciting journey as you discover God's plan for an abundant life for you now and forever if you place your faith in the gospel of Jesus Christ **Behold the Man** Kirk Kimball, 2002 A completely historical dramatization of the life of Jesus In Defense of the Bible Steven B. Cowan, Terry L. Wilder, 2018-11-26 In Defense of the Bible gathers exceptional articles by accomplished scholars Paul Copan William A. Dembski Mary Jo Sharp Darrell L.
