Life On A Famine Ship A Journal Of The Irish Famine 1845 185:

Life on a Famine Ship Duncan Crosbie, 2005 *Life on a Famine Ship* tells the realities of the voyage to America which more than a million Irish people completed at the time of the Great Famine The Coffin Ship Cian T. McMahon, 2022-12 This book uses the letters and diaries of the emigrants themselves to paint a vivid new portrait of Ireland's Great Famine exodus Provided by publisher The Frederick Douglass Papers Frederick Douglass, 2009-12-08 This volume of The Frederick Douglass Papers represents the first of a four volume series of the selected correspondence of the great American abolitionist and reformer Douglass's correspondence was richly varied from relatively obscure slaveholders and fugitive slaves to poets and politicians including Horace Greeley William H Seward Susan B Anthony and Henry Wadsworth Longfellow The letters acquaint us with Douglass's many roles politician abolitionist diplomat runaway slave women's rights advocate and family man and include many previously unpublished letters between Douglass and members of his family Douglass stood at the epicenter of the political social intellectual and cultural issues of antebellum America This collection of Douglass's early correspondence illuminates not only his growth as an activist and writer but the larger world of the times and the abolition movement as well *Ten Years of Irish Publishing*, 2000 CD ROM contains bibliographic listings with title author publisher pages price ISBN and date **Cities of the World** Peter Whitfield, 2005 Historical and contemporary maps and photographs trace the history of more than sixty of the world's largest and most influential cities **The Publishers' Circular and Booksellers' Record of British and Foreign Literature**, 1891 *Publishers' Circular and General Record of British and Foreign Literature, and Booksellers' Record*, 1895 *Publishers' Circular and Booksellers' Record of British and Foreign Literature*, 1894 **Ireland, Sweden, and the Great European Migration, 1815-1914** Donald Akenson, 2011-08-23 This book is the product of Donald Akenson's decades of research and writing on Irish social history and its relationship to the Irish diaspora it is also the product of a lifetime of trying to figure out where Swedish America actually came from and why These two matters Akenson shows are intimately related Ireland and Sweden each provide a tight case study of a larger phenomenon one that for better or worse shaped the modern world the Great European Diaspora of the true nineteenth century Akenson's book parts company with the great bulk of recent emigration research by employing sharp transnational comparisons and by situating the two case studies in the larger context of the Great European Migration and of what determines the physics of a diaspora no small matter as the concept of diaspora has become central to twenty first century transnational studies He argues against the increasing refusal of mainstream historians to use empirical databases that the history community still has a lot to learn from economic historians and simultaneously that despite the self confidence of their proponents narrow economically based explanations of the Great European Migration leave out many of the most important aspects of the whole complex transaction Akenson believes that culture and economic matters both count and that leaving either one on the margins of explanation yields no valid explanation at all *Whitaker's Cumulative Book*
