Life on an Apple Orchard Judy Wolfman, 2004-08-01 Do you know how to tell when an apple s ready to be picked Or why bumblebees are important to growing apples Just ask Emily a young famer who helps her family grow twenty seven different kinds of apples She ll show you how much work and fun it is to grow pick and sell big beautiful apples So grab a basket and get ready for Life on an Apple Orchard Memories of Life on the Farm Frederick Whitford, Neal Harmeyer, 2019-09-15 John Calvin Allen professionally known as J C worked as a photographer for Purdue University from 1909 1952 and operated his own photography business until his death in 1976 The J C Allen photographs represent a historical account of the transition from pioneer practices to scientific methodologies in agriculture and rural communities During this major transitional period for agriculture tractors replaced horses hybrid corn supplanted open pollinated corn and soybeans changed from a novelty crop to regular rotation on most farms During this time purebred animals with better genetic pedigrees replaced run of the mill livestock and systematic disease prevention in cattle swine and poultry took place Allen s photographs also document clothing styles home furnishings and the items people thought important as they went about their daily lives Looking closely at tractors livestock wagons planters sprayers harvesting equipment and crops gives one a sense of the changing and fast paced world of agriculture at that time This volume contains over 900 picturesque images most never before seen of men women and children working on the farm which remain powerful reminders of life in rural America at the turn of the twentieth century As old farmhouses and barns fall victim to age Allen photographs are all that remain While those people and times no longer exist today they do remain alive because of the preservation of that history on film A camera in his hands and an eye for photography allowed Allen to create indelible visual histories that continue to tell the story of agriculture and rural life from long ago **Farm Life and Agricultural Epitomist** ,1893
