The Perfect Life William John Knox-Little, 1898

The Perfect Life Sermons (Classic Reprint) W. J. Knox

Little, 2018-01-21 Excerpt from The Perfect Life Sermons For its teaching is not only Jewish it is above all things Catholic All through there runs an under current of permanent principles and every now and again these like Pindar's notion of the river which ran under land and sea from Greece and came up in sparkling freshness and beauty in the Sicilian fountain of Arethusa these principles and truths burst up and sparkle in life and brightness with a power and attractiveness of a new revelation Not unnaturally there are many truths in the sermon on the mount which have appeared in other codes of morality put forward by other religions Not unnaturally I say for after all there is but one Teacher to mankind and that is the Eternal Word The light which lighteth every man that cometh into the world That Teacher has taught men in every age as man would learn but here the same great Teacher puts forth in fullest form those high moral laws which in one way or another He had to some extent imprinted on the minds of His creatures Here is the complete statement here is the comprehensive view About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Larger Life Edgar Gardner Murphy, 1897

The Light of Life John Cuthbert Hedley, 2015-07-12

Excerpt from The Light of Life Set Forth in Sermons Preached in the Church of the English Martyrs Preston on Sunday October 8th 1898 The Lord is my light and my salvation Ps xxvi 1 At the present time even those who read little and reflect little can hardly help noticing that there is a tendency to make the thought of God more obscure than the thought even of that most High Name ought to be I will not say that men are forgetting God or neglecting Him There have always been in the world such forgetfulness and such neglect But now our best thinkers our most cultivated intelligences are occupying themselves with the attempt to make God more and more remote to thicken the veil that hides the effulgence of His heavenly throne to increase the darkness which necessarily hangs over the great gulf separating the Creator from the creature to deaden the echoes of the Voice which must always be distant but which we believe is intended to be heard and recognised over all the universe About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to

Excerpt from Sermons on the Christian Life The publisher of this volume has been anxiously desirous to promote by such means as his position might place in his power the habit of reading for direct religious edification He has believed that both in the private chamber and in the family circle especially when any are deprived wholly or partially of the privileges of the sanctuary no other books will quite supply the place of printed sermons and he has regretted that in our country so few volumes of this class are offered to the public In the hope that the taste of thoughtful persons may not be yet at settled variance with what was formerly esteemed so favourable to the growth of individual and domestic piety he determined to enter on the publication of several volumes from living preachers of the Church if their consent could be obtained and if the first results of the enterprise should not be mere discouragements About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Larger Life* Edgar Gardner Murphy,2017-07-23 Excerpt from The Larger Life Sermons and an EssayThe title of this collection of sermons has been happily chosen It admirably indicates their motive and character There is the larger life in Christ as well as the higher life in Him As the one mounts voluntarily to heights of self renunciation in His service which are over and above the level of His mere command so the other pene trates more deeply the mind and will of God in Him sees the marvellous depth and scope of the Truth He taught in all its endless applications and rejoices to live and act in this wider outlook and range as they cannot who only narrowly believe and blindly obey About the PublisherForgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.comThis book is a reproduction of an important historical work

Gould, 2018-01-19 Excerpt from In What Life Consists And Other Sermons There was no caste under his preaching Rich and poor met together to praise and to pray The prayer meetings the pulse Of the church were pervaded with a spirit of love that harmonized all hearts Much as might be said of Dr Gould intellectually his heart was greater than his brain He had a keen sense of humor which often did him good service Many a salient truth was sent home pointed with some bright joke This keen sense of humor made him the genial companion and the welcome guest and during his last years he was much sought for as a happy after dinner speaker In closing this sketch we desire to do honor to the memory of his early instructor at Monson Academy Dr Hammond to whom Dr Gould often referred as the inspirer of all the ambitions of his life and who was seemingly the embodiment of all goodness and noble ness Such examples lift the calling of a teacher to a level with the highest No doubt Dr Hammond was greatly inspired by the Life of Thomas Arnold a book he greatly admired and was at length enabled to abandon his plan of entering the ministry for the position of instructor realizing his Rugby at Monson In considering such a character as the instructor of youth we feel that learning and scholarship are important elements in civilized life but manhood and womanhood are vastly more important About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections

Kerr,2015-07-18 Excerpt from The Highway of Life And Other Sermons This text forms part of a great Hebrew symphony It is a poet s description of an ideal life The symbolism speaks of the poetry of the road It is not of the battle of life that the poet sings nor life builded upon a sure and firm foundation but life as a journey along which the wayfaring men of this life travel to the City of God Life is a highway There are many ways and many paths that men travel but there is only one highway There is only one way to live the life and come at last to the goal The right to the way well what is it So far as we know life the right to the road belongs to the rich in this worlds goods to the influential to the powerful to the privileged They come to their goal unhindered The race is to the swift and the battle to the strong The inspired poet who is looking out upon the highway of life does not so see things He knows that the verdict of history is that the race is not to the swift nor the battle to the strong About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
