Life Was Never Meant To Be A Struggle:

Life Was Never Meant to Be a Struggle Stuart Wilde,1998-04-01 Author of The Trick to Money Is Having Some Life was never meant to be a struggle just a gentle progression from one point to another much like walking through a valley on a sunny day Stuart analyzes why we as humans are constantly making life harder for ourselves and how to stop this detrimental mind loop and inner belief that life is a struggle Through this book Stuart helps you identify your struggle why it has appeared in your life and eliminate it Take back your freedom and create a life struggle free **Ebony & Ivory** Melvia Miller,2002-04-19 Many books have been written about the problems of racial hostility and cultural diversity but none like Ebony and Ivory This powerful collection offers a refreshing and humorous look at these serious issues that face our society The fables and articles in Ebony and Ivory will make the reader laugh cry and shout and will also cause us to do some deep self evaluation **The Three Keys to Self-Empowerment** Stuart Wilde,2011-07-12 Three of Stuart Wilde s bestselling books are included in this beautifully packaged self empowering anthology Miracles Stuart makes the point that creating miracles in our lives is no more complicated than understanding the metaphysics of the Universal Law which states that within human beings there lies an immense power and this power Never Meant to Survive João H. Costa Vargas,2023-06-14 Never Meant to Survive presents a historical political and social assessment of anti black genocide and liberatory struggles that arose to resist it Based on fine grained accounts of community life at the street level Costa Vargas s work presents crucial examples of political resistance and community activism By examining two cities linked by common experiences of Blackness Los Angeles and Rio de Janeiro this book identifies a prevailing genocidal force that organizes individuals and groups across society The 1965 and 1992 riots in Los Angeles the work of the Black Panther Party and favela activists in Brazil and police brutality in struggles between black communities and the state in both L A and Rio de Janeiro all figure importantly in Costa Vargas s compelling account What emerges from this analysis is a call for the destruction of the conditions that foster the marginalization of black communities and a halt to the internal conflicts between black social groups themselves Choices and Illusions Eldon Taylor,2013-09-17 This fascinating book holds an important key Whether you re interested in the science of thinking and beliefs how your own mind operates how others control your thoughts why things just don t work out for you how you can create the life you ve always wanted how you can realize your true potential how you can find peace or on a grander scale how you can help make the world a better place this book provides insights for all Simply reading it will open your eyes to new worlds of possibilities You ll change once you re exposed to the illusions most live under and by and putting into practice any of these very simple teachings will open the door for you to achieve your highest potential Choices and Illusions tells the story of one man s journey into the workings of the human mind and our reason for being The adventure is every bit as exciting as the best scientific discoveries Eldon Taylor s approach is pragmatic and his conclusions are inspirational and soul enhancing Along the journey you ll hear fantastic stories of divine intervention

see why you think and do what you don't wish to do and understand the very clear message that it's never too late to be happy and succeed regardless of your past actions Eldon says Many believe that self help and self improvement is about rags to riches failure to success and so forth when indeed it's the beginning of a journey into self discovery Inside every human being is an eternal truth and a life purpose Using our mind power is simply starting the engine on that path toward highest self actualization Revised edition with five new chapters Plus a secure link to the FREE InnerTalk audio [God Never Meant for Us to Die](#) Pierre Gilbert,2020-04-21 The most incisive indictment against Christianity resides in the notion of a God who created a world in which there is untold suffering and death Is this the best God could do In response most Christians will mutter something about free will or the necessity of evil to bring about God's plan for humanity Theologians often reply by challenging the very legitimacy of the question God only requires that we persevere Biblical scholars who might otherwise be expected to offer a scriptural perspective nervously denounce any suggestion that the presence of evil may have had something to do with a primordial couple and a fruit tree Is it any wonder that most people believe that evil must surely be an intractable component of human existence introduced perhaps by the very God Jews and Christians worship This book is a response to the problem of evil that unconditionally affirms the goodness and power of God Based on a new assessment of the Genesis creation story one of the greatest texts ever to have emerged in human history the author contends that God never intended for humanity to experience suffering and death [Never Meant to Be Alone](#) Justin Hendrix,2024-12-27 We tend to think of singleness as simply the absence of marriage We think its value comes from the freedom that entails Yet singleness is not empty We perceive it as such because we struggle to articulate its real worth Singleness and marriage are complements not opposites Both point toward union with God in Christ They rest on the same promises and they participate in the same reality There are distinct elements of God's character and purposes that are revealed in singleness just as there are in marriage The goal of this book is to see his beauty more clearly from the vantage that singleness offers [Numbers - The Master Key](#) Clayne Conings,2003 The illusory phantom the mind conjures up at the very threshold of greatness is only dissolved if that mind has experienced or made contact with its true essence or spiritual nature For that to happen the mind must first be motivated by a lofty purpose In the midst of any great challenge there is a sustaining force If the mind cannot draw from that force it is inevitably drawn into self pity then fear and ultimately defeat or mediocrity Only the courageous can in humility endure the feelings of loss or failure and emerge victorious having lost nothing Again and again this battle is fought until the mind can see the difference between its illusory nature created by its selfishness and its true and sustaining nature that is discovered through self sacrifice The master key refers to the knowledge that unlocks the spiritual door and awakens the mind to its spiritual path It is a key that has been thrown away and ignored by the intellectual learned and academic community It has appeared in all great cultures throughout history It has been dismissed by intellectuals suppressed by religious zealots and brought into disrespect by fortune tellers and dabblers This knowledge if properly

understood will transform the earth and the people on it This book was written for those few who are strong enough to take on the responsibility of spiritual evolution and so discover how sacred and beautiful life truly is **The 100 Most Asked Questions about God and the Bible** S. Michael Houdmann,2024-04-09 What questions do you have about God and the Bible Sometimes the truth can be hard to find We live in an age where it only takes a few seconds to look up anything we want to know But how reliable are the answers we get For more than two decades S Michael Houdmann and GotQuestions org have cut through the confusion answering even the hardest of questions with clarity grace and love GotQuestions org is the most trusted biblically grounded resource online This book answers one hundred of the most frequently asked questions on the site in a compassionate accessible and straightforward manner including questions like Is Jesus God Who is the Holy Spirit What is salvation What happens after death How why and when did Satan fall from heaven What signs indicate that the end times are approaching What does the Bible say about divorce and remarriage People have big questions about God and the Bible and the answers have real world consequences Here is the biblical truth we all need to better understand God ourselves and the world we live in *If She Had Only Said Sorry* Candy Adderley-Dawe,2007-12 Where do you draw the line Torn apart by the guilt of inducing her mother s death all Sam wanted was a place to belong and her sister to love her even though her attempts at reconciliation only ended up on deaf ears and tightly clenched fists glossed over by her painful need to justify her own existence But when is it right to fight back When her sister starts plotting murder or tries to steal her boyfriend On an island eighty miles long in the south Bahamas seas there are some things more important than the scenery *The Spiritual Journey of the Warrior* Brendan Michaels,2008 *Climbing Out The Struggle Of The Mind* Elizabeth Montgomery,2024-09-19 This book aims to restore hope when you feel trapped by life s challenges and situations that capture your mind leaving you stuck and overwhelmed unable to move forward and accomplish your goals It helps you realize that although you will face challenges and make mistakes encountering these life situations doesn t mean you can t succeed and overcome them Often your own mind can send misleading signals clouding your judgement and keeping you in a negative frame of mind that prevents you from pursuing your dreams and destiny The book argues that life s trials are not traps meant to keep you stuck Instead it discusses how to learn from everything you experience in life and move forward until you reach what God has in store for you However to complete your journey it s important to climb out of the wrong mindset and into the right one by changing the way you think Written to serve as a form of therapy and a spiritual healing for the mind this book assures you that even when you believe you can t escape your darkest moments there s a God there to guide you into the light and the future **You Can Make It Through the Struggle** Carol Owens Ford,2008-02 If you want to win the battle you must win the struggle Say no to the enemy You are a winner not a loser You may not see the blessing in your struggle now but with the grace of God and a made up mind that nothing will hinder your walk with God your struggle will become your testimony We must clearly see and recognize that the God we serve is able to see us through the most

difficult situations His love and His grace can strengthen us to walk through the storms of life despite the struggles of life There is a bright side coming There is a good ending Struggles don't have to bury us They don't have to steal our joy We can take one day at a time and see the beauty that it brings hidden somewhere between the struggle there is a ray of sunshine Your greatest troubles can become your greatest triumphs Losing the fight is not an option Don't say you can't because you can You can make it through the struggle You Were Never Meant to Do It All Kelly M.
