The one life is outward it is passed in reading the thoughts of others in contemplating the struggles the defeats the victories the virtues the sins in fine all things which make the history of those who surround us and in gazing upon the structures which Art has reared or paintings which she hath inscribed on the canvas or looking upon the grand temple of the material universe and beholding scenes painted by a hand more skilled more wondrous in its creative power than ever can be human hand The life passed in examining what other minds have produced or living other men s lives by looking at their deeds or in any way discerning what addresses the bodily eye or the physical ear this is often wise and well essential indeed to any inner life but it is outward not self centred not the product of our own individual natures About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www forgottenbooks com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works LIFE W/O & LIFE W/IN OR REVIEW Margaret 1810-1850 Fuller, Arthur B.
