

# What's your biggest weakness?

*'That's a difficult question but I know that I do have a particular weakness. The standards that I always set myself are quite high and unfortunately I get frustrated when other peoples aren't.*

*For example, I am never late for anything and believe that punctuality is really important. However, if I'm left waiting for other people who are late I usually have to say something to them when they finally arrive, which isn't always a good thing.'*
