**My Life in Christ** John Ilytch Sergieff, 2015-07-07 Excerpt from My Life in Christ Or Moments of Spiritual Serenity and Contemplation of Reverent Feeling of Earnest Self Amenument and of Peace in God Father Ivan or John of Cronstadt known and revered in every nook and corner of Russia has hitherto been almost entirely unknown to English readers but a circumstance just reported to the British chaplain at Cron stadt seems to indicate that the Christian in uence of of Russian Church has at last found its way even into the Um mume ago a letter reached the British clergyman at Cronstadt addressed in English to the parish priest of that port It came from a correspondent in county Kerry Ireland and earnestly begged for the prayers of Father John on behalf of the writer who appeared to be in great distress of mind and body His letter is being translated and will be forwarded to the reverend pastor About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *MY LIFE IN CHRIST JOHN ILIYTCH. SERGIEFF, 2018* *My Life in Christ, Or, Moments of Spiritual Serenity and Contemplation, of Reverent Feeling, of Earnest Self-amendment, and of Peace in God* Saint John (of Kronstadt), Ernest Evgen'evich Guliaev, 2000 *Remain in Me--* Andreas Schmidt, 2011 Saint Paul's command to Pray without ceasing 1 Thess 5 17 can seem impossible for the average Christian living in the middle of this hectic contemporary world Yet his words are intended as much for those of his time as those of today and as much for those who labor at home or in the office as for those in monasteries Indeed the Catechism of the Catholic Church professes the contemplative life or in other words a life of constant prayer as both necessary and attainable *My Life in Christ ; Or, Moments of Spiritual Serenity and Contemplation, of Reverent Feeling, of Earnest Self-amendment, and of Peace in God; Extracts from the Daily Diary of John Ilytch Sergieff; Translated, with the Author's Sanction, from the Fourth and Supplemented Edition by E.E. Goulaeff* Ioan Il'ich Sergiev, E. E. Goulaeff, 1897

*Contemplative Retreat* Franz Jalics, 2003 In the depths of their hearts many people feel a deep longing for God to shape their lives They are in search of true prayer and personal union with God In this book the author offers guidance based on his personal life spiritual growth and extensive pastoral experience Step by step in ten units he leads the participant toward an immediate awareness of the reality of God and of his presence The book can be used as a practical guide for a closed retreat or for a retreat in everyday life Publisher's description back cover *The Sacred Gaze* Susan R. Pitchford, 2014-04-07 Eight hundred years ago Clare of Assisi advised a correspondent to gaze into the mirror of the crucified Christ and study her own face within it A hundred years ago sociologist Charles Horton Cooley said we can know our self only as it is reflected to us by

others Contemplation is the choice to find our reflection in the divine Mirror In The Sacred Gaze Susan Pitchford explores how a false self is created by distortions in the mirrors around us Drawing from the mystical and sociological traditions and with practical suggestions for how to begin Pitchford shows how gazing into the face of Christ can reveal to us who we really are When the true self is known and known as God s beloved the way is opened to radical freedom and joy **Pilgrimage of a Soul** Phileena Heuertz,2010-05-25 You can only go so far for so long before you find the limits of yourself For Phileena Heuertz that moment arrived mercifully around the same time as a sabbatical to mark her twelfth year of service with Word Made Flesh a ministry to some of the poorest people in the world With six months respite from the daily task of serving those who have nothing Phileena rediscovered the genius of contemplative spirituality Activists often see contemplation as a luxury the sort of thing that must necessarily be laid aside in the quest to see the world set aright But in Pilgrimage of a Soul we see that contemplation is essential not only to a life of sustained commitment to the justice and righteousness of God but to the growth in faith and discipleship that the Holy Spirit beckons each of us to Tracing seven movements from a kind of sleepfulness to a kind of wakefulness Heuertz shows us that life is a journey that repeats itself as we are led by Christ deeper and deeper into our true selves and a truer knowledge of God The Practice of Contemplation According to John of the Cross James W. Kinn,2018-07-23 This book is for anyone who now meditates regularly or who practiced meditation in the past As we grow in our prayer life John of the Cross is an excellent and encouraging guide to show us the way to the practice of contemplative prayer Many of us learned about meditation from spiritual directors or books We practiced a reliable form of meditation for some years with varying degrees of success Over time however our prayer slowed down and became simplified We didn t find many new ideas to occupy our intellect and our emotions quieted down In time many of us experienced a crisis in our prayer life our prayer became so simple that it almost disappeared We tried different forms of prayer but we seemed to be reaching a dead end Throughout all of this we were never told that our prayer was developing naturally and positively What we were experiencing was not a dead end but the threshold of a new way of prayer What we needed was an experienced guide to show us the road ahead Enter John of the Cross He encourages us to see that the place we came to is a necessary state of our progress in prayer John teaches us that we come to contemplation not by struggling harder to pray but by calming remaining quiet before God He encourages us to realize that we have not come to the end of the road but are being made ready to be transported on a wonderful journey There is no better or more encouraging guide for us on this journey than John of the Cross The entire focus of this book is quite narrow it concentrates on John s teaching about the beginning of contemplation The Contemplative Life Joel S. Goldsmith,1976 Goldsmith an internationally known spiritual leader presents this guidebook to attainment of inner peace and joy for those who are seeking a way to live a full and complete life here and now How the mind can transcend its apparent limitations and become what it is intended to be an instrument for the free flowing of the Spirit is specifically explained by the author in his description of the resources

Patterson,1995 Becoming a Modern Contemplative offers a twentieth century model for personal and spiritual growth by exploring a variety of human experiences within the scope of contemplative psychology Contemplation means different things to different people For Dr Richard Patterson contemplation is movement toward life not away from it Patterson contends that everyone has the potential to be a modern contemplative and reap the personal benefits I will argue that one can be a contemplative in traffic at one s desk while eating a meal while attending or teaching a class he writes Dispelling the notion of the passive contemplative Patterson suggests that contemplation is more than mere meditation and offers as evidence two examples of active contemplatives author Thomas Merton and suffragist Susan B Anthony Certain tools are required to follow the contemplative path solitude a journal a sacred place and a companion while certain stances simplicity detachment sensuality a sense of humor self discipline gratitude help lead the way Becoming a Modern Contemplative is not merely a feel good approach to personal growth but is a call to actively face one s dark side and confront the evils of the world Only then will we be able to come to terms with our own inner conflicts Ultimately Becoming a Modern Contemplative is for those who wish to grow in their interior life and in external relationships **BOOK JACKET Title Summary** field provided by Blackwell North America Inc All Rights Reserved Contemplation in a World of Action Thomas Merton,1998 The spiritual and psychological insights of these essays were nurtured in a monastic milieu but their issues are universally human Thomas Merton lays a foundation for personal growth and transformation through fidelity to our own truth and inner being His main focus is our desire and need to attain a fully human and personal identity This classic is a newly restored and corrected edition and the inaugural volume of Gethsemani Studies in Psychological and Religious Anthropology a series of books that explores through the twin perspectives of psychology and religion the dynamics and depths of being
