Deep Seeded Secrets Marvela Dawnay, 2019-07-26 I was just putting my life back together when my daughter LaKina disclosed the deep seeded secrets that she'd kept from me. She was in dire need of my help. We joined forces and within a matter of time we found ourselves up against multiple manipulating devilish snakes with deep seeded secrets. The manipulating devilish snakes utilized corruption, lies, money, power, and endless connections to cover up abuse and criminal activity for a family and many others. They were out to destroy our family by using fear, threats, manipulation, and alienation to hide their criminal activity and abuse to children. I wasn't only dealing with LaKina's situation. My father Donald was in a troubled marriage. Later we saw that his wife was a corrupt person with deep seeded secrets who lied and was capable of murder. Everywhere I turned there were deep seeded secrets, corruption, and lies. I remained determined to find out what they were regardless of the risks and pushbacks that I'd encountered. This is a heart wrenching story that will leave you shocked, traumatized, and in disbelief because of the parties involved. I highly recommend that you and your loved ones read my series so that you can identify the traits and patterns of these individuals and never enter into their world. **The Impact Code**
