**The Faith of a Quaker (Classic Reprint)** John William Graham,2017-02-06 Excerpt from The Faith of a Quaker There arise also the insistent questions which beset all mystics and which in Quakerism demanded a corporate instead of an individual answer Was the light infallible Was the claim to it an assumption of spiritual exaltation About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**The Life and Letters of Paul the Apostle (Classic Reprint)** Lyman Abbott,2017-10-24 Excerpt from The Life and Letters of Paul the Apostle Rabbinical authors of that time are studied by scarcely any this man only a fragment of whose life we possess and only fragments of whose teachings we possess has been and still is studied with such passionate enthusiasm by the many It is partly doubtless because he is enigmatical we are all interested in solving riddles But the principal About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Yost,2017-09-21 In the spirit of Cyril Barber s classic work from the 1970s The Minister s Library Robert Yost provides students and pastors with expert guidance on building a working ministerial library From Old and New Testament languages lexical aids and grammatical tools to commentaries and theologies as well as pastoral resources Yost is a trustworthy guide through the multiplicity of books that seem to just keep rolling off the presses Far more than just a guide to commentaries as are so many works today this resource is a balanced pastoral tool for pastors and students who are overwhelmed by the

proliferation of literature in the fields of biblical and pastoral studies      **Practicing Midrash** F. Timothy Moore, 2018-07-24

Have you ever been puzzled by contradictions in the Bible Or wondered why there are four Gospels three sets of Ten Commandments or two creation stories at the beginning of Genesis Beginning with the first pages of Genesis the Bible tells most of its stories through multiple versions which contain both similarities and disagreements The inherent arguments in Scripture did not seem to bother the Jewish faith A practice called midrash developed in Judaism sometime before the days of Jesus Rabbis and scholars sparred over opposing passages developed theological arguments and filled gaps in biblical stories with their own understandings This book will use the threefold prayer of St John of the Cross to allow the divergent voices in Scripture to speak and practice midrash with each other enabling the reader to join the conversation The contradictions and arguments have a divine purpose Not only did they prompt the Bible s evolution over hundreds of years but have enabled it to remain a living word for thousands of years This pluralism in the Bible is good news for the faithful living in a multi cultural pluralistic age      *St. Paul: His Life, Letters, and Christian Doctrine* Alan Hugh McNeile, 1920      **Guide to Reprints**, 2008      **Lessons on the Acts of the Apostles ... Reprinted from the "Church Sunday School Magazine."** Eugene Stock, 1872      Guide to Reprints Albert James Diaz, 2008      *Apostle, Or, Bones that Shine Like Fire* Tom Bissell, 2016 Bissell finds that the story of the apostles is the story of early Christianity its competing versions of Jesus s ministry its countless schisms and its ultimate evolution from an obscure Jewish sect to the global faith we know today in all its forms and permutations In his quest to understand the underpinnings of the world s largest religion Bissell embarks on a years long pilgrimage to the supposed tombs of the Twelve Apostles Dust jacket flap      Forensic Language and the Day of the Lord Motif in Second Thessalonians 1 and the Effects on the Meaning of the Text Matthew D. Aernie, 2011-09-16 In this book Matthew Aernie argues that Paul intentionally used forensic language allusions and idioms throughout 2 Thessalonians 1 in order to encourage the persecuted church to remain steadfast as they waited for their vindication at the final assize To support this thesis Aernie suggests that such judicial language and allusions are intertextual parallels originating primarily from the Day of the Lord motif found throughout the Old Testament and maintains that the Day of the Lord concept was understood by the author of the Thessalonian correspondence as a reference to the day when the Lord would render righteous verdicts upon those who had both obeyed and disobeyed him Furthermore Aernie argues that the author of 2 Thessalonians likely understood the Day of the Lord to be consummated at the Parousia of Christ when the final court would convene Therefore borrowing from the judicial concept apparent in the Day of the Lord motif Aernie concludes that the author utilized forensic language throughout 2 Thessalonians 1 to exhort the church to remain faithful amidst great opposition as they awaited their ultimate justification at God s eschatological tribunal      *Tennyson's Rapture* Cornelia D. J. Pearsall, 2008-01-29 This book explores Tennyson s representation of rapture as a radical mechanism of transformation theological social political or personal and as a figure for critical processes in his own poetics Offering a new approach to

reading Victorian dramatic monologues Pearsall probes the complex aims of these performances showing how speakers ambitions are both articulated in and attained through their consequential speech **Book News** ,1913 **The Letter to the Colossians** Scot McKnight,2018-02-26 The Letter to the Colossians offers a compelling vision of the Christian life its claims transcend religion and bring politics culture spirituality power ethnicity and more into play Delving deeply into the message of Colossians this exegetical and theological commentary by Scot McKnight will be welcomed by preachers teachers and students everywhere **The Slavic Letters of St. Jerome** Julia Verkholtantsev,2014-09-30 The Slavic Letters of St Jerome is the first book length study of the medieval legend that Church Father and biblical translator St Jerome was a Slav who invented the Slavic Glagolitic alphabet and Roman Slavonic rite Julia Verkholtantsev locates the roots of this belief among the Latin clergy in Dalmatia in the 13th century and describes in fascinating detail how Slavic leaders subsequently appropriated it to further their own political agendas The Slavic language written in Jerome s alphabet and endorsed by his authority gained the unique privilege in the Western Church of being the only language other than Latin Greek and Hebrew acceptable for use in the liturgy Such privilege confirmed repeatedly by the popes resulted in the creation of narratives about the distinguished historical mission of the Slavs and became a possible means for bridging the divide between the Orthodox and Catholic Churches in the Slavic speaking lands In the fourteenth century the legend spread from Dalmatia to Bohemia and Poland where Glagolitic monasteries were established to honor the Apostle of the Slavs Jerome and the rite and letters he created The myth of Jerome s apostolate among the Slavs gained many supporters among the learned and spread far and wide reaching Italy Spain Switzerland and England Grounded in extensive archival research Verkholtantsev examines the sources and trajectory of the legend of Jerome s Slavic fellowship within a wider context of European historical and theological thought This unique volume will appeal to medievalists Slavicists scholars of religion those interested in saints cults and specialists of philology **The Athenaeum** ,1907 *Encountering the Book of Romans* Douglas J. Moo,2002-12 An engaging and user friendly survey of the Book of Romans *Elzevir Classics* ,1884 **Whitaker's Books in Print** ,1998 *Edward Irving Reconsidered* David Malcolm Bennett,2014-11-04 Samuel Taylor Coleridge called Edward Irving a minister of Christ after the order of Paul Edward Irving was a great preacher probably the best in Georgian Britain He was also a profound theologian and a caring pastor Yet it is a strange fact of history that this Paul like minister of Christ was eventually removed from the church he had made famous unfairly expelled from his denomination for heresy and at the end of his brief life was demoted in the sect that emerged from his ministry Towards the end of Irving s life charismatic gifts emerged in his church amidst great controversy He had already developed a theological rationale for such gifting and his extensive teaching on spiritual gifts is still widely consulted today Edward Irving was and is a controversial figure It is time that his life ministry and teaching were reconsidered Who was Edward Irving How did he live What made him outstanding What made him so controversial What is his legacy These are the questions answered in *Edward Irving Reconsidered* It is a

compelling story as sad as it is powerful
