Life on Two Legs Norman J. Sheffield, 2013-05-30 Life on Two Legs In March 1968 Norman Sheffield opened a ground breaking new recording facility in London s Soho For the next 15 years Trident Studios was at the epicentre of the music industry recording some of the era s greatest artists from The Beatles and David Bowie to Elton John and Genesis Trident also developed their own talent including a raw and demanding four piece band called Queen After an acrimonious split with Trident their volatile leader Freddie Mercury famously dedicated a song to Norman Death On Two Legs In Life On Two Legs this legendary music figure breaks his forty year silence and sets the record straight not just about Freddie and Queen but also about artists from John Lennon and Marc Bolan to Harry Nilsson and Phil Collins and the recording of such classics as Hey Jude by The Beatles and Space Oddity by David Bowie Funny fascinating and occasionally irreverent and with a foreword by Sir Paul McCartney this is an unmissable memoir that brings to vivid life some of rock s greatest characters as well as the era and the studio that produced some of its classic music

The Obama Nation Jerome R. Corsi, 2008-08-05 In this thoroughly researched and documented book the 1 New York Times bestselling co author of *Unfit for Command* Swift Boat Veterans Speak Out Against John Kerry explains why the extreme leftism of an Obama presidency would leave the United States weakened diminished and divided why Obama must be defeated and how he can be Barack Obama stepped onto the national political stage when the then Illinois State senator addressed the 2004 Democratic National Convention Soon after Obama was elected to the U S Senate author Jerome Corsi began researching Obama s personal and political background Scrupulously sourced with more than 600 footnotes *The Obama Nation* is the result of that research By tracing Obama s career and influences from his early years in Hawaii and Indonesia the beginnings of his political career in Chicago his voting record in the Illinois legislature his religious training and his adoption of Christianity through to his recent involvement in Kenyan politics his political advisors and fundraising associates and his meteoric campaign for president Jerome Corsi shows that an Obama presidency would in his words be a repeat of the failed extremist politics that have characterized and plagued Democratic Party politics since the late 1960s In this stunning and comprehensive new book the reader will learn about Obama s extensive connections with Islam and radical politics from his father and step father s Islamic backgrounds to his Communist and socialist mentors in Hawaii and Chicago to his long term and close associations with former Weather Underground heroes William Ayers and Bernadette Dohrn associations much closer than heretofore revealed by the press Barack and Michelle s 20 year long

religious affiliation with the black liberation theology of former Trinity United Church of Christ Reverend Jeremiah Wright whose sermons have always been steeped in a rage first expressed by Franz Fanon Stokely Carmichael and Malcolm X a rage that Corsi shows has deep meaning for Obama Obama's continuing connections with Kenya the homeland of his father through his support for the candidacy of Raila Odinga the radical socialist presidential contender who came to power amid Islamist violence and church burnings Obama's involvement in the slum landlord empire of the Chicago political fixer Tony Rezko who helped to bankroll Obama's initial campaigns and to purchase of Barack and Michelle's dream home property The background and techniques of the Obama campaign's cult of personality including the derivation of the words hope and change Obama's far left domestic policy his controversial votes on abortion his history of opposition to the Second Amendment his determination to raise capital gains taxes his impractical plan to achieve universal health care and his radical plan to tax Americans to fund a global poverty reduction program Obama's naive anti war anti nuclear foreign policy predicated on the reduction of the military the eradication of nuclear weapons and an overconfidence in the power of his personality as if belief in change alone could somehow transform international politics achieve nuclear weapons disarmament and withdrawal from Iraq without adverse consequences for us for the Iraqis or for Israel Meticulously researched and documented The Obama Nation is the definitive source for information on why and how Barack Obama must be defeated not by invective and general attacks but by detailed arguments that are well researched and fact based **Harlequin Desire**
