**The Oxford Handbook of Family Policy Over the Life Course** Mary Daly, Birgit Pfau-Effinger, Neil Gilbert, Douglas J. Besharov, 2023 Drawing on a multidisciplinary group of experts from many countries this Handbook is intended to be a reference work that provides students and scholars in policy related disciplines a wide ranging perspective on the diverse ways that family policies respond to modern issues and trends over the life course The Handbook is divided into two main parts The first part offers a panoramic introduction to the setting and issues which contemporary family policies have been designed to address The second part and main body of the volume is organized around four benchmark periods that encompass the main stages of the family life cycle and social policies that are called into play during these stages

*Routledge Handbook of Sport Communication* Paul Mark Pedersen, 2013 This text offers a survey of the discipline of sport communication The authors explore communication within through and for sport in all its theoretical conceptual cultural behavioral practical and managerial aspects tracing the contours of this expansive transdisciplinary and international discipline and demonstrating that there are few aspects of sport that don't rely on effective communications Including contributions from sport media and communications scholars and professionals from around the world the book examines emerging media social media traditional print broadcast and screen media sociological themes in communication in sport and management issues at every level from the interpersonal to communication within and between sport organisations and global institutions adapted from publisher's description

Against Individualism Henry Rosemont Jr., 2015-03-25 The first part of *Against Individualism* A Confucian Rethinking of the Foundations of Morality Politics Family and Religion is devoted to showing how and why the vision of human beings as free independent and autonomous individuals is and always was a mirage that has served liberatory functions in the past but has now become pernicious for even thinking clearly about much less achieving social and economic justice maintaining democracy or addressing the manifold environmental and other problems facing the world today In the second and larger part of the book Rosemont proffers a different vision of being human gleaned from the texts of classical Confucianism namely that we are first and foremost interrelated and thus interdependent persons whose uniqueness lies in the multiplicity of roles we each live throughout our lives This leads to an ethics based on those mutual roles in sharp contrast to individualist moralities but which nevertheless reflect the facts of our everyday lives very well The book concludes by exploring briefly a number of implications of this vision for thinking differently about politics family life justice and the development of a human centered authentic religiousness This book will be of value to all students and scholars of philosophy political theory and Religious Chinese and Family Studies as well as everyone interested in the intersection of morality with their everyday and public lives

*Current Trends in Web Engineering* Quan Z. Sheng, Jesper Kjeldskov, 2013-12-23 This book constitutes the thoroughly refereed post proceedings of the seven workshops and the PhD Symposium that were co located with the 13th International Conference on Web

Engineering ICWE 2013 held in Aalborg Denmark in July 2013 The papers cover research in topics such as social data management cloud service engineering agile web development and quality management in web engineering **Moral Development in a Global World** Lene Arnett Jensen, 2015-04-02 This book presents international research findings showing that humans share moral concepts but following development different cultures become increasingly morally diverse

*Face Perception across the Life-Span* Bozana Meinhardt-Injac, Andrea Hildebrandt, 2017-03-17 Face perception is a highly evolved visual skills in humans This complex ability develops across the life span steeply rising in infancy refining across childhood and adolescence reaching highest levels in adulthood and declining in old age As such the development of face perception comprises multiple skills including sensory e g mechanisms of holistic configural and featural perception cognitive e g memory processing speed attentional control and also emotional and social e g reading and interpreting facial expression domains Whereas our understanding of specific functional domains involved in face perception is growing there is further pressing demand for a multidisciplinary approach toward a more integrated view describing how face perception ability relates to and develops with other domains of sensory and cognitive functioning In this research topic we bring together a collection of papers that provide a shot of the current state of the art of theorizing and investigating face perception from the perspective of multiple ability domains We would like to thank all authors for their valuable contributions that advanced our understanding of face and emotion perception across development *Exemplarity in Global Politics* Dorothy Noyes, Tobias Wille, 2025-10-23 Available open access digitally under CC BY NC ND licence This volume explores a mechanism that is celebrated in liberal discourse but is trickier in practice the power of example It addresses the complex interplay of performance reception and uptake and provides a transdisciplinary analysis of how exemplarity shapes global politics

*The Rabbi As Symbolic Exemplar* Jack H Bloom, 2012-12-06 The solution to the growing problem of stress and burnout in rabbis Written by a practicing clinical psychologist who spent 10 years as a congregational rabbi The Rabbi As Symbolic Exemplar By the Power Vested in Me presents positive solutions to the inevitable negative effects of symbolic exemplarhood coaching rabbis through dilemmas of the inner soul Being a rabbi means serving as a Symbolic Exemplar of the best that is in humankind being experienced and treated and expected to act as a stand in for God and a walking talking symbol of all that Jewish tradition represents The burden of being a symbolic exemplar of God is extraordinary and the struggle to live up to its requirements can be one of loneliness frustration and despair alienating rabbis who tire of living in a glass house The Rabbi As Symbolic Exemplar examines how the symbolic role that serves as the source of the rabbi s authority and power can lead to disillusionment and disenchantment Author Jack H Bloom draws on his own experience as a rabbi who watched the successful career he enjoyed turn into one he desperately wanted to forsake and how he was inspired to become an athletic coach for rabbis This unique book details how symbolic exemplarhood is created what its downside is what power it offers how it can be used effectively how rabbis can deal with their inner lives and what can be done to help rabbis stay human

while maintaining their leadership The Rabbi As Symbolic Exemplar is equally effective as a complete text or as a source of stand alone chapters on specific topics including special tensions of being a rabbi effects of symbolic exemplarhood on the rabbi s family educating rabbis on their power training suggestions curing and healing and The Ten Commandments for rabbis The Rabbi As Symbolic Exemplar is essential reading for rabbis rabbinical students congregants Christian clergy seminarians and anyone interested in what it is to be a clergy person and how they can support the work clergy do The book educates both clergy and laity on the humanity of clergy Visit the author s website at <http://jackhbloom.com>

**Enhancing Learning through Formative Assessment and Feedback** Alastair Irons, Sam Elkington, 2021-08-25 Assessment is a critical aspect of higher education because it has a range of powerful impacts on what staff and students do and how universities operate Underpinned by relevant theory and practical advice this fully updated new edition takes into account the changing expectation of students in the context of an increasingly complex and shifting higher education environment to promote the role of formative assessment and formative feedback and its impact on shaping the student learning experience Presented through the lens of contemporary perspectives empirical evidence and case studies across a broad range of subject disciplines this new edition aims to encourage teaching and support staff to focus on the promotion of student learning through designing and embedding high impact formative assessment processes and activities Key content covers the theoretical and philosophical aspects of formative assessment and formative feedback the learning environment in which students undertake their learning activities helping teachers develop appropriate formative assessment and provide effective formative feedback the impact of formative assessment and formative feedback activities have on learning teaching and assessment design as well as on the academic workload of tutors the contemporary issues and challenges currently driving research into formative assessment the use of technology in formative assessment and how different tools and technologies allow for the provision of effective and efficient formative feedback the benefits of understanding how students respond to formative assessment and formative feedback as an opportunity to review the effectiveness of the teaching and learning methods and techniques the integral role of formative assessment and formative feedback plays in postgraduate research settings and how innovations in formative assessment and feedback inform key developments in large scale assessment change Aimed at both experienced and early career practitioners in higher education this text is ideal reading for educators who wish to see a movement away from a higher education system driven by summative assessment to one where a more

holistic approach to education positions learning standards rather than measurement and grades as central to effective assessment and crucially to return to a focus on student learners

**Flourishing in Contexts and Cultures** Gregory Arief D. Liem, Dennis M. McInerney, 2023-07-01 The youth of today is confronted with a myriad of challenges of living in a world that has never been more volatile uncertain complex and ambiguous These multifaceted challenges compromise their well being Fostering the well being of young people across sociocultural boundaries rather than of the select groups of privileged individuals is a timely and worthy endeavor and should not take a back seat The advent of Positive Education which is an educational paradigm that emphasizes the goal of developing both cognitive abilities and well being skills in students and young people in general has offered a promising generic approach to promoting the well being of young people The twin goals of Positive Education are indeed aligned with two major views of well being eudaimonia highlighting the importance of one's engaged pursuit of meaningful goals and hedonia stressing the importance of one's positive emotion and life satisfaction in one's well being Their combination that wellness is achieved when a person is feeling good and functioning well has often been termed flourishing Unfortunately scholarly discussions on sociocultural influences on flourishing or well being and ways of promoting it have been scarce This volume addresses such a gap in a rigorous and timely manner International scholars from culturally diverse backgrounds put together their thoughts and ideas in their respective chapter contributions that collectively invite us to mindfully take into account youth's sociocultural and sociodemographic backgrounds in promoting their flourishing This book which embodies the who what when where and how of youth well being will be extremely insightful and useful for scholars and researchers as well as policy makers and practitioners teachers interventionists counsellors youth mentors who seek to promote the well being of young people in their respective contexts and beyond
