Practice Resurrection Study Guide Eugene H. Peterson, Peter Santucci, 2010-05-17 Though bringing people to new birth in Christ through evangelism is essential says Peterson isn't it obvious that growth in Christ is equally essential Yet the American church does not treat Christian growth and character formation with equivalent urgency We are generally uneasy with the quiet obscure conditions in which growth takes place and building maturity in Christ too often gets relegated to footnote status in the text of our lives In *Practice Resurrection* Peterson brings the voice of Scripture especially Paul's letter to the Ephesians and the voice of the contemporary Christian congregation together to unpack what it means to fully grow up to the stature of Christ Peterson's robust discussion will move readers to restore transformed Christian character to the center of their lives This helpful study guide is designed to enable small groups in schools or churches or even individuals to delve deeper into the timely wisdom of *Practice Resurrection* A Conversation on Growing Up in Christ Peter Santucci here breaks up Peterson's book into thirteen sessions each of which contains a summary select quotes to consider questions for interaction and a prayer drawn from the text of Ephesians that is covered in the corresponding book chapter

Holy Living: Confession Paul W. Chilcote, 2020-02-18 While physical training has some value training in holy living is useful for everything It has promise for this life now and the life to come 1 Timothy 4:8 Christians crave a deeper more intimate relationship with God Spiritual disciplines are activities and practices that guide you in your daily walk through life bringing you closer to Christ They also help you to make a difference in our world Practicing these spiritual disciplines opens you to God's transforming love and help you experience Holy Living Confession may be good for the soul as the saying goes but most people give little thought to its practice at least on a daily basis Like prayer a person's needs tend to trigger a confessional response As a result we often have a limited understanding of the true nature of the practice Confession is so much more than a call to apologize though that is an integral part Confession is fundamentally relational providing the opportunity to

mission These will be examined at each period of church history in each chapter to provide reference points of comparison throughout the book Each chapter will also contain a specific case study presenting extracts of some key documents with notes commentary and questions for discussion to allow readers to develop skills in historical research General discussion questions and reading lists will be provided at the end of each chapter The final chapter will provide guidance for the study of the history of the student s own church and community

SCM Studyguide: Philosophy and the Christian Faith Ben Pugh ,2018-12-04 The challenges that Western culture keeps posing to the Christian faith are ever new The goal posts keep changing This study guide will equip theology students to understand the culture shaping beliefs that are driving the kinds of questions it brings to faith It will be an historical overview of the key stages in the history of Western philosophy with each section carefully tracing the genealogical line of ideas and the Christian responses to them right up to the present day For most theology students learning abstract philosophical concepts involves literally learning a new language a language that the initiated converse in with ease but which leaves the uninitiated baffled Thus each chapter in this study guide opens with a glossary of terms Throughout the studyguide students are encouraged to reflect on the ways in which what has been learned might be applied in both explicitly theological and wider cultural contexts for example they might be asked to think of a film or book that seems to express elements of existentialism or postmodernism or to describe how something very like the extreme subjectivity of idealism can sometimes shows itself in Sunday morning worship
