**Fatal Insomnia: The Complete Trilogy** CJ

Lyons, 2022-05-27 A terminally ill doctor battles crime and corruption in this medical thriller trilogy by the New York Times bestselling author of *Critical Condition* and *Farewell to Dreams*. ER doctor Angela Rossi is struggling with insomnia when she receives a ghostly plea to save a missing girl. Aided by a police detective fallen from grace, Angela searches the midnight catacombs beneath the city, facing down a ruthless gang leader and stumbling onto a serial killer's lair. Her desperate quest to rescue the girl leads her to the one thing she least expected to find: a last chance for love. As her symptoms escalate in bizarre and disturbing ways, Angie realizes exactly how serious her illness is. She might be dying, but she's finally choosing how to live.

*A Raging Dawn*: Dr. Rossi is diagnosed with Fatal Insomnia and given only a few months to live. She'd like to say her goodbyes to everyone and spend her last days on a deserted island. But first, she must provide testimony in a rape case. However, on the day of the trial, the victim is murdered, allowing the rapist to go free and motivating Angela to bring him to justice. With nothing left to lose or fear, she makes for a perfect vigilante.

*The Sleepless Stars*: When Dr. Rossi discovers that her disease and the disease she's discovered in dozens of young children is the creation of a mysterious cabal, she begins investigating the lies and betrayal that led to the terrible epidemic. Meanwhile, Devon Price, a father of one of those children, is on the hunt for those responsible. He is willing to lie, cheat, steal, or even kill to ensure his daughter's safety. But in the end, their only hope might be a desperate deal with the devil, the faction behind the epidemic. A deal paid with blood. A deal not everyone will survive.

Praise for the Fatal Insomnia series: A remarkable medical thriller equal to the very best of Robin Cook or Michael Crichton. This intelligent, well-crafted novel based on a startlingly original premise builds up tension to the breaking point and beyond, delivering plenty of surprises along the way. Totally absorbing and impossible to put down.

The series finale featuring a heroine you'll never forget and a story that whips by at bullet speed by the New York Times bestselling author Tess Gerritsen. When you have no time left, you realize what you're really living for. For Dr. Angela Rossi, the past holds only pain and the future promises only an early death as Fatal Insomnia consumes her. But Angie will never stop fighting. Especially now that she's learned that her disease and the disease she's discovered in dozens of young children isn't a quirk of heredity but rather the creation of an unknown cabal. While Angie explores the betrayals and lies that led to the Fatal Insomnia epidemic, Devon Price, whose daughter is also infected, uses his street skills to hunt those responsible. He'll do anything to save his daughter. Lie, cheat, steal, kill; it doesn't matter. Not as long as Esme is saved. In the end, their only hope might be a desperate deal with the devil, the cabal behind the man-made Fatal Insomnia epidemic. A deal paid with blood. A deal not everyone will survive.
