

Lifetime Achievement Award Acceptance Speech

Ladies and Gentlemen, Esteemed Colleagues, and Honored Guests,

Tonight, I stand before you with a heart full of gratitude as I accept this Lifetime Achievement Award. This honor is not only a recognition of my career but a tribute to the many hands and hearts that have shaped my journey.

Acknowledgments

Firstly, I extend my profound thanks to the organization for considering me worthy of such a prestigious award. Your recognition is not just a personal accolade but a beacon that lights the path for others to follow.

To my mentors, thank you for your wisdom and guidance. You saw potential in me when I doubted myself and provided the encouragement to strive and the discipline to achieve. To my colleagues, your partnership and support have been invaluable. We have shared successes and setbacks, and each has been instrumental in forging the path we have traveled together.

Reflections on the Journey

Looking back over the years, I am reminded of the challenges we faced and the triumphs we celebrated. This career has been more than a profession—it has been a passion that has driven me every day. The projects we completed, the innovations we introduced, and the standards we set have left a legacy that I am proud to be associated with.

Family Support

To my family, my deepest appreciation. You have been my unwavering support system, sacrificing much, enduring my absences, and always providing a safe harbor to return to. Your love and support have been my anchor and my refuge.

Future Aspirations

As I accept this award, I am reminded that our work is never truly complete. I look forward to continuing to mentor, advise, and inspire the next generation of professionals. The future holds great promise, and I am excited to see where these talented individuals will take us.

Conclusion

In closing, this award is not a signal to rest but a call to continue our pursuit of excellence. Let us keep striving, keep pushing the boundaries of what is possible, and keep inspiring each other along the way.

Thank you once again for this extraordinary honor. May we all continue to achieve, innovate, and lead with integrity and passion.

then began pairing white children with African American adults and children thus transferring the quality of innocence to a variety of racial political projects a dynamic that Robin Bernstein calls racial innocence This phenomenon informed racial formation from the mid nineteenth century through the early twentieth Racial Innocence takes up a rich archive including books toys theatrical props and domestic knickknacks which Bernstein analyzes as scriptive things that invite or prompt historically located practices while allowing for resistance and social improvisation Integrating performance studies with literary and visual analysis Bernstein offers singular readings of theatrical productions from blackface minstrelsy to Uncle Tom s Cabin to The Wonderful Wizard of Oz literary works by Joel Chandler Harris Harriet Wilson and Frances Hodgson Burnett material culture including Topsy pincushions Uncle Tom and Little Eva handkerchiefs and Raggedy Ann dolls and visual texts ranging from fine portraiture to advertisements for lard substitute Throughout Bernstein shows how innocence gradually became the exclusive province of white children until the Civil Rights Movement succeeded not only in legally desegregating public spaces but in culturally desegregating the concept of childhood itself

Criminalising Hate Speech

Eric Heinze, 2024-12-31 Never in history have crises surrounding free speech raged with greater ferocity than we are witnessing today This is the world s first book to gather detailed country by country studies devoted entirely to the problem of hate speech spanning more than twenty nations The introductory chapter summarises various key concepts followed by a composite of the questions that were originally put to each of the Special Rapporteurs The chapters then provide the Rapporteurs detailed analyses of each country with several of the authors supplementing these with additional helpful insights In particular the abundance of case studies will help to dramatize the controversies that have been sparked by hateful expression in ways that continue to be relevant far beyond the borders of any one nation The chapters explain national legislation and case law tracking the challenges posed by growing extremism and social polarisation which is now more acute than ever before in our age of electronic media The authors also align these national developments with norms and procedures of leading international human rights bodies such as the UN Committee on Racial Discrimination the UN Human Rights Committee and the European Court of Human Rights This collection will be invaluable for beginners as no prior knowledge is required At the same time given the chapters depth and breadth it will supply a research tool for advanced scholars lecturers and researchers in the areas of free speech human rights comparative law criminal law constitutional law and political theory as well as media and communications studies Eric Heinze is Professor of Law and Humanities at Queen Mary University of London He is currently a Trustee of the London based Media Diversity Institute and recently served as General Rapporteur on the Criminalisation of Hate Speech for the Acad mie Internationale de Droit Compar

Daguerreotypes Lisa Saltzman, 2015-07-06 In the digital age photography confronts its future under the competing signs of ubiquity and obsolescence While technology has allowed amateurs and experts alike to create high quality photographs in the blink of an eye new electronic formats have severed the original photochemical link between image and subject At the same time recent cinematic photography has stretched the concept of photography and raised questions about its truth value as a documentary medium Despite this situation photography remains a stubbornly substantive form of evidence referenced by artists filmmakers and writers as a powerful emblem of truth photography has found its home in other media at precisely the moment of its own material demise By examining this idea of photography as articulated in literature film and the graphic novel Daguerreotypes demonstrates how photography secures identity for figures with an otherwise unstable sense of self Lisa Saltzman argues that in many modern works the photograph asserts itself as a guarantor of identity whether genuine or fabricated From Roland Barthes s Camera Lucida to Ridley Scott s Blade Runner W G Sebald s Austerlitz to Alison Bechdel s Fun Home we find traces of photography s fugitive subjects throughout contemporary culture Ultimately Daguerreotypes reveals how the photograph at once personal memento and material witness has inspired a range of modern artistic and critical practices

Goffman and Social Organization Greg Smith, 2002-11-01 Erving Goffman is considered by many to have been one of the most important sociologists of the post war era His close observation of everyday life and his concern with the ways in which people play roles and manage the impressions they present to each other led to his pioneering creation of a new dramaturgical perspective for sociology His later analysis explored the field of deviance and many of his works in this area are now considered as sociological classics including Asylums The Presentation of the Self in Everyday Life and Stigma This collection brings together many of today s leading sociologists to pursue and build upon the diverse aspects of Goffman s legacy The contributors present chapters on key topics of Goffman s work Issues covered include mental illness and institutionalism the incorporation of literary intertexts in Goffman s writings Goffman s relationship to ethnomethodology the singularity of Goffman s ethnography Ranging from his critique of institutionalization to his understanding of the minute details of face to face interaction this collection reveals the richness of Goffman s own work as well as his contribution to sociology today and will be essential reading for students

and feelings of uncertainty can cloud our attention and practice endurance for the messy middle of justice work leaning on God's provision and rest when the way forward is unclear. Questions at the end of each chapter offer opportunities to discuss, reflect and respond to God's call through daily reflections for individuals, prompts for small group discussion and ideas for taking action in the outward work of justice and liberation.

Background Artist Karen Fang, 2024-10-11 You might not know the name Tyrus Wong but you probably know some of the images he created including scenes from the beloved Disney classic *Bambi*. Yet when he came to this country as a child, Tyrus was an illegal immigrant locked up in an offshore detention center. How did he go on to a long and prosperous career drawing animation cels, storyboards and greeting cards that shaped the American imagination? *Background Artist* shares the inspiring story of Tyrus Wong's remarkable 106-year life and showcases his wide array of creative work from the paintings and fine art prints he made working for Roosevelt's Works Progress Administration to the unique handmade kites he designed and flew on the Santa Monica beach. It tells how he came to the United States as a ten-year-old boy in 1920 at a time when the Chinese Exclusion Act barred him from legal citizenship. Yet it also shows how Wong found American communities that welcomed him and nurtured his artistic talent. Covering everything from his work as a studio sketch artist for Warner Bros to the best-selling Christmas cards he designed for Hallmark and other greeting card companies, this book celebrates a multit talented Asian American artist and pioneer.

The Dark Side of Leadership: A Cross-Cultural Compendium Adebukola Oyewunmi, Gill Owens, Ogechi Adeola, 2025-06-16 The corporate landscape is rife with instances of leaders who have left a trail of sinister outcomes. In the last three decades, the research in leadership and organisational sciences has expanded in theoretical and typological breadth to include the dark side. These works have aimed at uncovering the complex interplay of personalities, power dynamics and organisational cultures that can lead to destructive and unethical behaviours in the workplace. While there are volumes of literature on leadership, there is a dearth of research that integrates dark leadership and cross-cultural norms, perspectives, variances and interventions. *The Dark Side of Leadership: A Cross-Cultural Compendium* is a collaborative and transdisciplinary venture that draws on the knowledge and experiences of practitioners and scholars across the globe to explore the contentious and evolving subject of dark leadership. The primary consideration of this book is to explore dark side leadership conceptualisations and manifestations across contexts and provide insights into traits, processes and outcomes as well as interventionist paradigms. Hofstede's research demonstrates the fundamental role of national and organisational culture in shaping leadership behaviour. This book comprehensively documents cross-cultural cases, perspectives and research on the dark side of leadership.

Film Dialogue Jeff Jaeckle, 2013-07-09 *Film Dialogue* is the first anthology in film studies devoted to the topic of language in cinema, bringing together leading and emerging scholars to discuss the aesthetic, narrative and ideological dimensions of film speech that have largely gone unappreciated and unheard. Consisting of thirteen essays divided into three sections: genre, auteur theory and cultural representation, *Film Dialogue* revisits and reconfigures several of the

most established topics in film studies in an effort to persuade readers that spectators are more accurately described as audiences that the gaze has its equal in eavesdropping and that images are best understood and appreciated through their interactions with words Including an introduction that outlines a methodology of film dialogue study and adopting an accessible prose style throughout Film Dialogue is a welcome addition to ongoing debates about the place value and purpose of language in cinema Congressional Record United States. Congress,2003 **Joss Whedon** Amy Pascale,2014-08-01 From the cult favorite Buffy the Vampire Slayer which netted four million viewers per episode to the summer blockbuster The Avengers which amassed a box office of 1.5 billion Joss Whedon has made a name for himself in Hollywood for his penchant for telling meaningful personal tales about love death and redemption even against the most dramatic and larger than life backdrops This biography follows his development from a creative child and teenager who spent years away from his family at an elite English public school through his early successes which often turned into frustrating heartbreak in both television Roseanne and film Buffy the Vampire Slayer to his breakout turn as the creator writer and director of the Buffy television series Extensive original interviews with Whedon's family friends collaborators and stars and with the man himself offer candid behind the scenes accounts of the making of groundbreaking series such as Buffy Angel Firefly and Dollhouse as well as new stories about his work with Pixar writers and animators during the creation of Toy Story Most importantly however these conversations present an intimate and revealing portrait of a man whose creativity and storytelling ability have manifested themselves in comics online media television and film
