An Ordinary Life...? Andrew Michael Doig,2017-09-04 Andrew s journey began with spiritual healing and led into visiting spiritualist centres in England Wales Scotland and Sweden His experiences sparked a desire to join various circles and experience literally hundreds of s ances and hearing those addressed by those in spirit Since his first tentative steps into the world of spiritualism he has witnessed transfiguration physical mediumship and was involved in rescue work He has seen many mediums giving fine examples of mental mediumship and gained awareness of clairvoyance and clairsentience for himself Andrew has also had the wonderful adventure of having spirits use him for psychic art Equipped with his new knowledge Andrew now realises that events in his life have been symbolic and a sign that his spirit guide has been with him throughout his life He now wishes to share the same message of positivity and hope with others An Ordinary Life is an excellent introduction to spiritualism from a personal viewpoint and will provide encouragement for those who have been seeking deeper meaning in their own lives *TEACHINGS OF SILVER BIRCH* Silver Birch,2013-07-30 Yes it is necessary to keep on spreading the teachings of Spiritualism even in Italy Throughout the centuries Spiritualism has always been hindered yet with different definitions from the one we use today it is the oldest movement known in the world it is always the same force of the Spirit that is in operation The philosophy of teachings like the ones you will find in this book reveals a true knowledge of the concept of God one that does not need intermediaries like churches or theology It reveals the bond of mediumship with God it brings back to us the instruments we need to reason on religiosity The demonstration mediumship gives us that life is eternal that the spirit and the soul are immortal has the purpose of bringing us back to the authentic knowledge of God as Jesus already did But Jesus Christ s teaching has been lost in many of its aspects by churches and by theology themselves The teachings of Spiritualism lead us to understand why each form of mediumship is a sacred gift at God s service always whose purpose is not only to prove us that life is eternal but also to make us aware that everything is in communion with God we are all part of the infinite Spirit of God The book is available with English text and Italian translation
