The Lifted Veil, and Brother Jacob George Eliot, 1999-09-02 She had believed that my wild poet s passion for her would make me her slave and that being her slave I should execute her will in all things The Lifted Veil was first published in Blackwood's Magazine in 1859 A dark fantasy woven from contemporary scientific interest in the physiology of the brain mesmerism phrenology and experiments in revification it is Eliot s anatomy of her own moral philosphy the ideal of imaginative sympathy or the ability to see into others minds and emotions Narrated by an egoccentric morbid young clairvoyant man whose fascination for Bertha Grant lies partly in her obliquity the story also explores fiction s ability to offer insight into the self as well as being a remarkable portrait of a misdeveloped artist whose visionary powers merely blight his life The Lifted Veil is now one of the most widely read and critically discussed of Eliot's works Published as a companion piece to The Lifted Veil Brother Jacob is by contrast Eliot's literary homage to Thackeray a satirical modern fable that draws telling parallels between eating and reading Yet both stories reveal Eliot's deep engagement with the question of whether there are necessary truths independent of our perception of them and the boundaries of art and the self Helen Small s introduction casts new light on works which fully deserve to be read alongside Eliot's novels ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more The Lifted Veil (Annotated) George Eliot, 2020-08-31 The Lifted Veil is a novella George Eliot first published in 1859 Quite unlike the realistic fiction for which Eliot is best known The Lifted Veil explores themes of extrasensory perception the essence The Lifted Veil Illustrated George Eliot, 2020-09-30 The Lifted Veil is a novella by George Eliot first published in 1859 Quite unlike the realistic fiction for which Eliot is best known The Lifted Veil explores themes of extrasensory perception the essence of physical life possible life after death and the power of fate The Lifted Veil by George Eliot George Eliot, 2021-02-16 The Lifted Veil is a novella by George Eliot first published in 1859 Quite unlike the realistic fiction for which Eliot is best known The Lifted Veil explores themes of extrasensory perception the essence of physical life possible life after death and the power of fate The novella is a significant part of the Victorian tradition of horror fiction which includes such other examples as Mary Shelley's Frankenstein 1818 Robert Louis Stevenson's The Lifted Veil George Eliot, 2007-10-01 Horror was my familiar Published the same year as her first The Strange more novel Adam Bede this overlooked work displays the gifts for which George Eliot would become famous gritty realism psychological insight and idealistic moralizing It is unique from all her other writing however in that it represents the only time she ever used a first person narrator and it is the only time she wrote about the supernatural The tale of a man who is incapacitated by visions of the future and the cacophony of overheard thoughts and yet who can t help trying to subvert his

vividly glimpsed destiny it is easy to read The Lifted Veil as being autobiographically revealing of Eliot's sensitivity to public opinion and her awareness that her days concealed behind a pseudonym were doomed to a tragic unveiling as indeed came to pass soon after this novella's publication But it is easier still to read the story as the exciting and genuine precursor of a moody new form as well as an absorbing early masterpiece of suspense The Art of The Novella Series Too short to be a novel too long to be a short story the novella is generally unrecognized by academics and publishers Nonetheless it is a form beloved and practiced by literature's greatest writers In the Art Of The Novella series Melville House celebrates this renegade art form and its practitioners with titles that are in many instances presented in book form for the first time

The Lifted Veil George Eliot, 2021-01-01 The present horror novel The Lifted Veil was written by one of the formeost literary fiction writers of the English Literature George Eliot It was first published in the year 1859 Quite unlike the realistic fiction for which Eliot is best known this novel explores themes of extrasensory perception the essence of physical life possible life after death and the power of fate The Lifted Veil George Eliot, 2017-02-02 The Lifted Veil is a novella by George Eliot first published in 1859 Quite unlike the realistic fiction for which Eliot is best known The Lifted Veil explores themes of extrasensory perception the essence of physical life possible life after death and the power of fate The novella is a significant part of the Victorian tradition of horror fiction The Lifted Veil (Illustrated Edition) George Eliot, 2021-09-12 The Lifted Veil is a novella by George Eliot first published in 1859 Quite unlike the realistic fiction for which Eliot is best known The Lifted Veil explores themes of extrasensory perception the essence of physical life possible life after death and the power of fate The novella is a significant part of the Victorian tradition of horror fiction which includes such other examples as Robert Louis Stevenson's The Strange Case of Dr Jekyll and Mr Hyde 1886 and Bram Stoker's Dracula 1897 **Lifted Veil** George Eliot, 2021-05-03 George Eliot s novella The Lifted Veil was first published in 1859 Eliot had written The Lifted Veil between the publication of her first novel Adam Bede and that of her second novel The Mill on the Floss Eliot s publisher was hesitant to publish the story because it was nothing like Adam Bede for which she had gained critical acclaim He was concerned that this tale of horror would be bad for her literary reputation but reluctantly published it in a literary journal albeit anonymously The Lifted Veil concerns themes of fate extrasensory perception the mystery of life and life after death Eliot's interest in these themes stemmed partly from her own struggles with religious faith as she was an extremely devout Christian as a child and young adult who later renounced Christianity completely She also felt that she herself like Latimer the main character in The Lifted Veil had extrasensory powers of perception which she referred to as double George Eliot's 'The Lifted Veil' Franco Marucci, 2022-01-31 The negative historical judgment given to consciousness George Eliot's The Lifted Veil amounts nowadays to a gross critical blunder and in the last three decades the story has been firmly reinstated in Eliot's major canon The premise of the present book is that George Eliot's oeuvre is a compact macrotext where themes motifs patterns and cultural and personal archetypes recur with variations and that The Lifted Veil functions

as the linchpin of this oeuvre A sequential approach to the story is authorized by the use of a mimetic enunciation that simulates a gradual definition of events places and characters as they have appeared to the narrating I in the course of time until the moment of the enunciation Contextualizing The Lifted Veil means placing it within Eliot's oeuvre and against the background of Victorian mid century fiction in a further meaning seeing it as intersecting various contemporary genres and subgenres such as that of the European and American literature of the veil that of the archetypal icon of the femme fatale that of Wilkie Collins's dead secret novels. The most significant facet that critical literature on The Lifted Veil has tended to overlook is however the encrypting of the experience of a failed religious conversion and the foreshadowing of the search for a spiritual and racial identity of Daniel Deronda the hero of Eliot's final novel.

The Works of George Eliot George Eliot,

George Eliot - the Lifted Veil George Eliot, 2016-12-13 The Lifted Veil is a novella by George Eliot first published in 1859 Quite unlike the realistic fiction for which Eliot is best known The Lifted Veil explores themes of extrasensory perception the essence of physical life possible life after death and the power of fate The novella is a significant part of the Victorian tradition of horror fiction which includes such other examples as Mary Shelley's Frankenstein 1818 Robert Louis Stevenson's The Strange Case of Dr Jekyll and Mr Hyde 1886 and Bram Stoker's Dracula 1897 The Works of George Eliot: Silas Marner, The lifted veil, Brother Jacob George Eliot, 1885 The Lifted Veil (Fantasy and Horror Classics) Mary Ann Evans, 2011-04-01 Mary Anne better known by her pen name George Eliot was one of the leading writers of the Victorian era Published in 1859 thirteen years prior to her seminal novel Middlemarch The Lifted Veil is one of her greatest shorter tales Informed by Eliot's interest in contemporary science including physiology phrenology and mesmerism it features a telepathic narrator and a staunchly Gothic atmosphere Many of the earliest occult stories particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork George Eliot and Her Women Charlotte Fiehn, 2024-11-25 George Eliot and Her Women argues that the Victorian writer George Eliot 1819 1880 was not only keenly aware of women s issues but more deeply engaged with them than she has yet received credit for Proposing that her work is still misread and misunderstood because of her unusual and complex relationship to gender and an inattention to the complexity of her female characters and their representation the book examines Eliot's construction and treatment of female characters throughout her prose fiction and her poetry to show that she was very much attuned to and supportive of women s issues Demonstrating that Eliot was unable to speak publicly on women s issues because of her complicated private life George Eliot and Her Women demonstrates that she nonetheless advocated for women s rights particularly access to education through her fiction and poetry using her creative works to inspire sympathy and promote awareness about women s struggles in nineteenth century Britain **POEMS TOGETHER W/BROTHER JACOB** George 1819-1880 Eliot, 2016-08-28 This work has been selected by scholars as being culturally important and is part of the knowledge base of

Dickerson, 1996 An interesting rereading of familiar texts by Emily and Charlotte Bronte Elizabeth Gaskell and George Eliot recovering the historical and literary roots of the supernatural as it appears in each women s work Dickerson English Rhodes College makes interesting observations about women s changing roles in the 19th century when scientific advancements relegated women to the home as arbiters of the spiritual while men occupied themselves with

rational invention Through close readings she demonstrates how the Brontes Gaskell and Eliot resisted this division and simultaneously created a spiritual genre of writing traditionally denigrated by critics Annotation copyrighted by Book News Inc Portland OR
