Bureau of State Audits,2016 *Flip the System* Jelmer Evers,René Kneyber,2015-06-26 Education is threatened on a global scale by forces of neoliberalism through high stakes accountability privatization and a destructive language of learning In all respects a GERM Global Education Reform Movement has erupted from international benchmark rankings such as PISA TIMSS and PIRL causing inequity narrowing of the curriculum and teacher deprofessionalization on a truly global scale In this book teachers from around the world and other educational experts such as Andy Hargreaves Ann Lieberman Stephen Ball Gert Biesta Tom Bennett and many more make the case to move away from this uneducational economic approach to instead embrace a more humane more democratic approach to education This approach is called flipping the system a move that places teachers exactly where they need to be at the steering wheel of educational systems worldwide This book will appeal to teachers and other education professionals around the world

Safe Is Not Enough Michael Sadowski,2020-01-15 Safe Is Not Enough illustrates how educators can support the positive development of LGBTQ students in a comprehensive way so as to create truly inclusive school communities Using examples from classrooms schools and districts across the country Michael Sadowski identifies emerging practices such as creating an LGBTQ inclusive curriculum fostering a whole school climate that is supportive of LGBTQ students providing adults who can act as mentors and role models and initiating effective family and community outreach programs While progress on LGBTQ issues in schools remains slow in many parts of the country schools have begun making strides toward becoming safer more welcoming places for LGBTQ students Schools typically achieve this by revising antibullying policies and establishing GSAs gay straight student alliances But it takes more than a deficit based approach for schools to become places where LGBTQ students can fulfill their potential In Safe Is Not Enough Michael Sadowski highlights how educators can make their schools more supportive of LGBTQ students positive development and academic success
