Economía y Literatura Manuel Santos Redondo, 2007-05 19 economistas reunidos en una obra para tratar por primera vez la relación entre Literatura y Economía Los textos que componen este volumen tienen una característica clara tratan sobre literatura y sus autores son economistas profesionales Su justificación está en que los economistas tenemos cosas que decir sobre literatura y en que tenemos cosas que aprender de la literatura Hay obras literarias cuyo análisis siempre está cojo sin el punto de vista de un economista profesional y hay problemas económicos que podemos entender mejor si nos fijamos en lo que dicen los grandes creadores literarios Las ideas económicas no están al margen del clima cultural en el que se forman y difunden y en ese clima cultural la literatura desempeña un papel importante No solo la creación de las ideas económicas es importante también lo es su difusión y los medios no profesionales como el periodismo y la literatura llegan al público al menos tanto como lo que se expresa en los textos de los profesionales de la economía

Migration and Mutation Carole Birkan-Berz, Oriane Monthéard, Erin Cunningham, 2023-02-23 Spanning four centuries from the Renaissance to today's avant-garde Migration and Mutation explores how the sonnet has evolved in and out of translation

Contributors examine little studied translation trajectories in the early modern period such as the pivotal role of France between Italy and England or the first German sonnets and their Italian French Dutch and Scottish origins Essays then shed new light on major European sonneteers In the 19th and 20th centuries including Shakespeare Keats Yeats Rilke and Pessoa alongside lesser known contemporaries and with novel approaches And finally contributors explore how translation and adaptation create metaphorical space in the 21st century Migration and Mutation also pays attention to the political or subversive dimension of the sonnet with essays on women gay or postcolonial reclaimings of the sonnet and recent experiments such as post Soviet Sonnets on shirts by Genrikh Sagpir It takes the sonnet out of the confines of enclosed national traditions bringing it into renewed contact with mostly European but also other cultures The British Library General Catalogue of Printed Books 1976 to 1982 British Library, 1983 From Lisbon to the World George
