The Lost World and the Poison Belt Arthur Conan Doyle, Sir, Paul-Thomas Ferguson, Trace Davis, Lucas Heinemann, Teresa Johnston, 2013-05-18 The Lost World is an adventure story centered on the discovery of a prehistoric land deep within the Amazon populated by various species of dinosaurs as well as ancient humanoids The Poison Belt while containing all of the principle characters featured in The Lost World bears striking dissimilarities from its predecessor Most notably while The Lost World depicts a dangerous expedition into unknown jungle lands The Poison Belt while still featuring dangers largely takes place in Professor Challenger's home during what the characters believe to be a world ending event Each story raises questions about the role of science in an increasingly modern world presented with the slyly humorous approach Conan Doyle revealed in so many of his great works *The Lost World / the Poison Belt* Arthur Conan Doyle, Sir, 2016-04-27 The Lost World is a novel released in 1912 by Sir Arthur Conan Doyle concerning an expedition to a plateau in the Amazon basin of South America where prehistoric animals dinosaurs and other extinct creatures still survive It was originally published serially in the popular Strand Magazine and illustrated by New Zealand born artist Harry Rountree during the months of April November 1912 The character of Professor Challenger was introduced in this book The novel also describes a war between indigenous people and a vicious tribe of ape like creatures The Poison Belt was the second story a novella that Sir Arthur Conan Doyle wrote about Professor Challenger Written in 1913 roughly a year before the outbreak of World War I much of it takes place in a single room in Challenger's house in Sussex rather oddly given that it follows The Lost World a story set largely outdoors in the wilds of South America This would be the last story written about Challenger until the 1920s by which time Doyle's spiritualist beliefs had begun to influence his writing The lost world ; The poison belt : being an account of another amazing adventure of Professor Challenger Arthur Conan Doyle, 1930 *The Poison Belt* Arthur Conan Doyle, Sir, 2008-01-01 Though best remembered for his creation of the world's first consulting detective Sir Arthur Conan Doyle is also the literary father of the jack of all sciences Professor Challenger a forerunner of such modern day adventure heroes as MacGyver and Doctor Who In this 1913 novel a followup to Challenger's first adventure in Conan Doyle's dinosaur escapade The Lost World the professor and his team Professor Summerlee adventurer Lord John Roxton and reporter Ed Malone must contend with the very end of the world itself as planet Earth moves through a deadly region of space dense with poisonous ether Fans of adventure drama and early science fiction will thrill to this forgotten classic from one of the pioneers of pulp fiction Scottish surgeon and political activist SIR ARTHUR CONAN DOYLE 1859 1930 turned his passions into stories and novels producing fiction and nonfiction works sometimes controversial The Great Boer War 1900 sometimes fanciful The Coming of the Fairies 1922 and sometimes legendary The Adventures of Sherlock Holmes 1892

The Poison Belt Arthur Conan Doyle, 1913 The Poison Belt is a science fiction novel by British writer Arthur Conan

Doyle the second book about Professor Challenger Much of it takes place in a single room in Challenger s house in Sussex Challenger sends telegrams asking his three companions from The Lost World Edward Malone Lord John Roxton and Professor Summerlee to join him at his home outside London and instructs each of them to bring oxygen During their journey there they see people s behaviour become excitable and erratic On arrival they are ushered into a sealed room along with Challenger and his wife In the course of his researches into various phenomena Challenger has predicted that the Earth is moving into a belt of poisonous ether which based on its effect on the people of Sumatra earlier in the day he expects to stifle humanity Challenger seals them in the room with cylinders of oxygen which he correctly believes will counter the effect of the ether The five wait out the Earth s passage through the poison belt as they watch the world outside human and animal die and machines run amok According to Victorian values or to Doyle s understanding of them Challenger s servants are left outside the sealed room and they continue to perform their duties until the ether overtakes them Finally the last of the oxygen cylinders is emptied and they open a window ready to face death To their surprise they do not die and conclude the Earth has now passed through the poison belt They journey through the dead countryside in Challenger s car finally arriving in London They encounter only one survivor an elderly bed ridden woman prescribed oxygen for her health After returning to Challenger s house they discover that the effect of the ether is temporary and the world reawakens with no knowledge that they have lost any time at all Eventually Challenger and his companions manage to convince the world what happened a task made easier by the tremendous amount of death and destruction caused by runaway machines and fires that took place while the world was asleep and humanity is shocked into placing a higher value on life

The Lost World Sir Arthur Conan Doyle, 1950 Illustrated with forty one illustrations by Harry Rountree five photographs five sketches and two drawings Table of contents to every chapters in the book Complete and formatted for kindle to improve your reading experience Edward Malone a reporter for the Daily Gazette goes to his news editor McArdle to procure a dangerous and adventurous mission in order to impress the woman he loves Gladys Hungerton He is sent to interview Professor George Edward Challenger who has assaulted four or five other journalists to determine if his claims about his trip to South America are true After assaulting Malone Challenger reveals his discovery of dinosaurs in South America Having been ridiculed for years he invites Malone on a trip to prove his story along with Professor Summerlee another scientist qualified to examine any evidence and Lord John Roxton an adventurer who knows the Amazon and several years prior to the events of the book helped end slavery by robber barons in South America They reach the plateau with the aid of Indian guides who are superstitiously scared of the area One of these Indians Gomez is the brother of a man that Roxton killed the last time he was in South America When the expedition manages to get onto the plateau Gomez destroys their bridge trapping them Their devoted negro Zambo remains at the base but is unable to prevent the rest of the Indians from leaving Deciding to investigate the lost world they are attacked by pterodactyls in a swamp and Roxton finds some blue clay in which he takes a great interest After exploring the plateau and

having some adventures in which the expedition narrowly escapes being killed by dinosaurs Challenger Summerlee and Roxton are captured by a race of ape men While in the ape men s village they find out that there is also a tribe of humans calling themselves Accala inhabiting the other side of the plateau with whom the ape men called Doda by the Accala are at war Roxton manages to escape and team up with Malone to mount a rescue They arrive just in time to prevent the execution of one of the professors and several other humans who take them to the human tribe With their help they defeat the ape men taking control of the whole plateau After witnessing the power of their guns the human tribe does not want the expedition to leave and tries to keep them on the plateau However the team finally discovers a tunnel that leads to the outside where they meet up with Zambo and a large rescue party Upon returning to England they present their report which include pictures and a newspaper report by Edward which many dismiss as they had Challenger s original story Having planned ahead Challenger shows them a live pterodactyl as proof which then escapes and flies out into the Atlantic Ocean When the four of them have dinner Roxton shows them why he was so interested in the blue clay It contains diamonds about 200 000 worth to be split between them Challenger plans to open a private museum Summerlee plans to retire and categorize fossils and Roxton plans to go back to the lost world Malone returns to his love Gladys only to find that she had married a clerk while he was away With nothing keeping him in London he volunteers to be part of Roxton s second trip
