Brian Rust, Malcolm Shaw, 2002 Reinforced cloth library binding no dust jacket individual shrinkwrap The Contemporary Jazz Pianist Bill Dobbins, 1985 **All of Me** Jos Willems, 2006-04-30 Louis Satchmo Armstrong was not only jazz's greatest musician and innovator but also arguably its most famous entertainer and the frontal figure in the development of contemporary popular music. Overcoming social and political obstacles he created a long and impressive career and an enormous musical output. Now his ground-breaking musical career is amassed and detailed in this discography of all his works from professionally made commercial releases to amateur and unissued recordings. All of Me is a comprehensive chronological discography born out of love and admiration for Louis Armstrong and devotion to years of collecting his musical accomplishments. Author Jos Willems has meticulously compiled all of Satchmo's known recordings both studio and live performances and with assistance from internationally renowned specialists has assembled an impressively detailed accurate and complete listing. This volume is superbly formatted and presented logically organized and thoroughly indexed by song title and individual. Researchers, collectors and enthusiasts can easily look up any detail of a recording, issues and releases of particular songs, publishing companies, producers, catalog numbers, dates, times and locations of recordings, musicians Armstrong played with and format be it 78 or 45 RPM records, LPs, CDs or media appearances. Every detail of Armstrong's career is listed in this impressive volume shedding light on the enormity of his impact on jazz and popular culture. This is the ultimate reference guide for the complete works of Louis Armstrong. **Louis Armstrong, in His Own Words** Louis Armstrong, 2001 Louis Armstrong has been the subject of countless biographies and music histories. Yet scant attention has been paid to the remarkable array of writings he left behind. Louis Armstrong In His Own Words introduces readers to a little-known facet of this master trumpeter, band leader and entertainer. Based on extensive research through the Armstrong archives, this important volume includes some of his earliest letters, personal correspondence with one of his first biographers in 1943, 44 autobiographical writings, magazine articles and essays. Here are Armstrong's own thoughts on his life and career from poverty in New Orleans to playing in the famous cafes, cabarets and saloons of Storyville from his big break in 1922 with the King Oliver band to his storming of New York from his breaking of color barriers in Hollywood to the infamous King of the Zulus incident in 1949 and finally to his last days in Queens, New York. Along the way Armstrong recorded touching portraits of his times and offered candid, often controversial opinions about racism, marijuana, bebop and other jazz artists such as Jelly Roll Morton and Coleman Hawkins. Indeed, these writings provide a balanced portrait of his life as a musician, entertainer, civil rights activist and cultural icon. Armstrong's idiosyncratic use of language and punctuation have been preserved to give the reader an unvarnished portrayal of this compelling artist. This volume also includes introductions to the writings as well as an annotated index of names and places significant to Armstrong's life. **Jazz Portraits** Leonard Lyons, Don Perlo, 1989 Alphabetized biographical entries of varying length enlivened with commentary and anecdotes provide an overview of the development of the form through the 80's. Includes an appendix listing musicians.
