Resources in Education ,2000 **The True Daniel Webster** Sydney George Fisher,1911 **The New Orleans of Lafcadio Hearn** Delia LaBarre,2007-05 Lafcadio Hearn 1850 1904 was a master satirist who displayed a fiery wit both as a writer and as an artist For seven months in 1880 he surprised and amused the readers of New Orleans with his wood block cartoons and accompanying articles which were variously funny scathing surreal political whimsical and moral This delightful book collects in their entirety for the first time all of the extant satirical columns and woodcut illustrations published in the Daily City Item 181 columns in all Hearn displays immense range illuminating in words and prints the unique culture of New Orleans including its Creole history debauched underworld corrupt politicians and voodoo practitioners The columns are expertly annotated by Delia LaBarre who places them in their unique Crescent City context With virtually no training in art of

any kind Hearn began creating his illustrations partly to boost the circulation of a small daily newspaper in a competitive market He believed in the power of satirical cartoons to communicate big ideas in small spaces in particular to reveal the habits prejudices and delusions of the current generation Blind in his left eye since a boyhood accident and severely myopic in his right Hearn nonetheless painstakingly carved out drawings on wood blocks with a penknife to be printed alongside his articles on the newspaper s letterpress Hearn developed from the first of these woodcuts to the last a unique style that expressed the full range of his wit from razor sharp condemnation to tender affection Hearn had a keen eye for the absurd along with an extraordinary ability to modulate his criticism and praise in a continuum from cauterizing vitriol to palliative balm from the heaviest sarcasm to the lightest wit In the pieces collected here there can be found a unifying thread Hearn s love hate relationship with the virtues and vices of New Orleans a city that continually amused and amazed him Born in Greece and raised in Ireland Lafcadio Hearn immigrated to the United States as a teenager and became a newspaper reporter in Cincinnati Ohio When he married a black woman an act that was illegal at the time the newspaper fired him and Hearn relocated to New Orleans In the early 1880s his contributions to national publications like Harper s Weekly and Scribners Magazine helped mold the popular image of New Orleans as a colorful place of decadence and hedonism In 1888 Hearn left New Orleans for Japan where he took the name Koizumi Yakumo and worked as a teacher journalist and writer And it may come to pass that I shall have stranger things to tell you for this is a land of magical moons and of witches and of warlocks and were I to tell you all that I have seen and heard in these years in this enchanted City of Dreams you would verily deem me mad rather than morbid Lafcadio Hearn 1880 describing New Orleans in a letter to a friend Cultures and Globalization Helmut K Anheier,Yudhishtir Raj Isar,2010-01-21 In the globalization game there are no absolute winners and losers Neither homogenisation nor diversity can capture its contradictory movement and character The essays and papers collected here offer from a variety of perspectives a rich exploration of creativity and innovation cultural expressions and globalization This volume of essays in all their diversity of contents and theoretical perspectives demonstrates the rich value of this paradoxical oxymoronic approach Stuart Hall Emeritus Professor of Sociology at the Open University Volume 3 of the Cultures Globalization series Creativity and Innovations explores the interactions between globalization and the forms of cultural expression that are their basic resource Bringing together over 25 high profile authors from around the world this volume addresses such questions as What impacts does globalization have on cultural creativity and innovation How is the evolving world map of creativity related to the drivers and patterns of globalization What are the relationships between creative acts clusters genres or institutions and cultural diversity The volume is an indispensable reference tool for all scholars and students of contemporary arts and culture **The Chautauquan** ,1900 **After the War** David B. Sachsman,2017-07-28 After the War presents a panoramic view of social political and economic change in post Civil War America by examining its journalism from coverage of politics and Reconstruction to sensational reporting and images of the

American people The changes in America during this time were so dramatic that they transformed the social structure of the country and the nature of journalism By the 1870s and 1880s new kinds of daily newspapers had developed New Journalism eventually gave rise to Yellow Journalism resulting in big city newspapers that were increasingly sensationalistic entertaining and designed to attract everyone The images of the nation's people as seen through journalistic eyes from coverage of immigrants to stories about African American Black fiends and Native American savages tell a vibrant story that will engage scholars and students of history journalism and media studies
