They actually knew it would happen before it happened The blessing is the reward for a life of integrity and commitment to achieving goals and setting standards What is the curse It is all the negatives that we curse our lives with the negative friends the negative conversations the negative situations An unsuccessful person who continues to put himself or herself in those situations in those conversations and around those people will bring a curse to their lives that they will never be able to shake I am grateful for the friends and the relationships that I have been blessed with in my life They have helped me to overcome all the obstacles of life And that is what any man needs incarcerated or free people who believe in him when no one else in the world does
