Rituals & Provocation* Samra Kiyani,2016-04-12 Love Vs Rituals a rejection of age old customs traditions and sarcastically called rituals crumbling of the established moral code disintegration of the social order collapse of the niceties and mutual respect between male female relations in their sober serene and sublime diversity and development of human animalism All of this has resulted from socio cultural imbalances The book is in fact an unpleasant journey through a societal order rampant with hypocrisy dualism and incongruity between moral standards established through the ages and now set and developed by the societal agents of change **The Public School Journal** ,1901 *The Life of Love: An Invitation: Fifty-two Reflections on Emotional and Spiritual Healing* Sharon Southwell,2014-10-26 Is love the place where psychological observation and spiritual wisdom about healing meet If love is associated with healing of all sorts how do I more consciously set about to grow in love seeking healing for myself and for my neighbours community and world How do I encourage others in their journeys into love Drawing on a broad Christian heritage a deep respect for the insights of other religious and spiritual traditions and two decades of work in welfare and clinical settings psychologist Sharon Southwell encourages spiritual seekers of all backgrounds to consider these questions for themselves Structured in 52

Reflections each followed by Invitations The Life of Love invites you to grow in love by embracing life giving connection to yourself to others your community to art nature and to your ultimate context whether you experience this as God or as some other immanent or transcendent spiritual connection If This Is Love, Why Do I Feel So Insecure? responsible for your happiness Are you in a relationship that makes you unhappy but you can t seem to get out of Don t you
know how to live without a man Do you feel anxious or panicky when he doesn t text you or answer your calls Do you tell
yourself every day that you can t be happy without him This is incredible proof of your attachment and reveals a deep
emotional dependence If you think you can t be happy without a man you are putting your present and your future in his
hands When you are obsessed with a man you risk falling into the trap of unrequited love We all seek happiness but some
women have learned to look for it in only one place in a man You tell yourself things like With him everything makes sense
Without him I can t be happy Only when he loves me do I feel good about myself Only he can make me happy You try to be
too present in his life for fear of losing him or being alone You constantly text him even though you know he s working or
doesn t want to hear from you You need constant attention and affection from him to feel happy If he doesn t reply to a text
you fall into a state of anxiety and feel abandoned These situations can cause suffering and disappointment in love What
seems like love is actually need and dependence It is that form of love in which you slowly lose your value while a man
becomes the center of your universe It is the love that empties you because it convinces you that your happiness depends
exclusively on how he looks at you talks to you chooses you or does not choose you There comes a time when a woman stops
asking for what she deserves and starts settling for crumbs from a man That measured attention those sporadic messages
that only come when it suits him those small gestures that seem big only because you are hungry for love That s where the
trap lies When you accept the minimum because you are afraid of being left with nothing The need to be loved prevents you
from being happy You have to take charge of the situation regain control of your love life and work to become emotionally
independent and love in a healthy way Thanks to this book you can begin to recognize your worth increase your self esteem
