his sacrifice would mean something when he willingly stepped into the land of the fae to save his friend. Instead, the years spent in their prison cost him and everyone he loved everything. Once released, Paton has nowhere to go but the home of his youth. But overseeing his late father's land comes with its challenges, and finding any semblance of happiness for himself seems unlikely until a strange lass from the future arrives and reminds him of the people he'd once loved so much. Her perpetual optimism and kindness make it easy for him to fall in love with her. Slowly, the hurt inside him begins to fade. But her life belongs in the future, and he knows he cannot ask her to sacrifice that for him. Will his love for her be enough to convince her to stay, or will he be forced to lose yet another person he loves? And if she does stay, do they have what it takes to keep one another safe from the outside threat that looms over them both?

Love Beyond Words Bethany Claire, 2017-05-30. All she needs is someone to prove her wrong. Laurel's life bears no resemblance to the love stories she writes. While handsome heroes are easy to imagine, they're much more difficult to find. Years of bad dates with creepy men have left her feeling cynical toward all things related to love. When she and her best friend find themselves caught up in Morna's meddling magic and are transported to seventeenth-century Scotland, Laurel meets a man who threatens to change her attitude toward matters of the heart. After two years away, Raudrich returns to his home on The Isle of Eight Lairds to resume the duty he's pledged his life to. When he arrives, he finds an out-of-time lassie asleep in his bed. The woman intrigues him, and it doesn't take long before she captures his heart. But something inside causes her to resist her feelings. If only he could help her love herself, perhaps she would have room in her heart to love him in return. As their feelings grow, so does the strength of an evil held captive beneath the castle, an evil that will do anything to escape. Will Laurel open herself up to the possibility of love? If she does, can she find the power within herself to outwit the evil she's destined to face?

She left her whole world behind to find the one thing that really matters. Jane Mitchell has many dreams for her life, but living in the seventeenth century was never one of them.

Unknowingly transported through time by the meddling witch Morna Jane chooses to stay in the past so she can remain in her beloved nephew's life. Castle life doesn't really suit her and Jane quickly finds that her love for her family isn't enough to fill her hungry soul. Eager for purpose she takes work at the village inn. One frigid evening she takes in the most infuriating man she's ever met, never suspecting for a moment that he could be the one her soul hungers for. Adwen MacChristy doesn't want to be laird of Cagair Castle. With a youth spent traveling the world and sleeping beneath the stars in the company of loose women, nothing weighs on Adwen's heart like knowing the life he loves is about to come to an end. He would rather spend his days as a penniless wanderer than take on the responsibilities handed to him by his father. On his last night of freedom, Adwen stops at the inn near McMillan Castle and meets the only lass to ever deny his advances, bewitching him in an instant. Suddenly he finds himself believing that responsibility might not mean a life spent in chains if he has a fiery lass like Jane by his side. Will Jane allow herself to fall for a man who is the very embodiment of the reckless life she left behind, or will fate make the decision for her when it sends her through time once again?
