The Dark Side of Love Jane Goldberg, 2017-07-12 Many mothers have disturbing fantasies of killing their children Husbands imagine with guilt cheating on their wives Parents stand on the brink of hitting their teenage children or may actually do so while the teens fabricate elaborate strategies of revenge Hurt pain uncontrollable rage and other forms of abuse also make up the dark side of love This landmark book has a bold thesis The denied dark side of love that can show us love's true nature By acknowledging our negative feelings we can come into the full spectrum of emotion and hear the message of our darker feelings without acting them out Through this we can increase our capacity for love To explain her perspective Jane Goldberg traces the development of love and hate from infancy She debunks simplistic myths about mother love and portrays the mother child bond in all its facets She explores the hidden recesses of family love and romantic love and shows how the acceptance of constructive expressions of anger jealousy and competition can enhance intimacy Drawing on case histories from her psychoanalytic practice as well as mythic stories Goldberg offers insights into the troubling but universal nature of the dark side of love In a highly accessible style she explores how to develop a psychological immune system to protect against the potentially destructive elements in relationships and allow for a constructive expression of love's dark side Her debate provoking book should be read by psychoanalysts and psychotherapists individuals who have suffered from the pains and hurts of love and indeed by those who are interested in human motivation and behavior

From Out of the Dark Regenia M. Holder,2010-10 Shattered on the ground lie her hopes and dreams gentle breeze kissing the morning dew as a butterfly softly floats by I gaze off into the trees that surround me as the fresh crisp air and I am thankful to be alive God's Solution To Man's Problems Apollo Kikule,2016-11-15 Death is real for all of us Just as faith and resurrection must be the reality and goal for true believers and not the fleeting things of the world The Sanhedrists the church leaders of the day in their religiosity crucified their own Saviour in like manner the Christianity of our day has traded God's glory for the vain things of earth All this has happened because man has not comprehended God's Word due to a Breaking up Scripture into individual choicest verses unto which men exercise their intellectual abilities but thus losing the spiritual meaning and sequence of each Chapter resulting into the act of rationalizing on every verse thus allowing individual preachers to carve out individual territorial ground for the followers of the same taste instead of the One Church of God with each member filled with God's gift of the Spirit Here in the Epistle to the Romans we find God's solution to man's rebellious ways The spiritual content of the epistle is presented instead of the rationalistic approach of our day with its deceit and hypocrisy Awakening of the Soul Grace J. Scott,2009-11-16 In 2002 Grace J Scott began to receive messages from those beyond the grave Grace felt it her duty to record their voices their thoughts and even their warnings Awakening of the Soul is the amazing result This intriguing collection of channeled thoughts from souls in heaven other planetary systems and

other universes will benefit those seeking spiritual growth as well as those wanting information about preparing for upcoming Earth changes Much of the material is packed with information and requires time to read and digest while other material is simple and easily understood Presented in chronological order as received in reflexology sessions the conversations are completely original unedited and unorganized straight from the spirit itself Some spirits channeled big lessons for the general public or gave messages to individuals while some explained disasters politics wars dreams and events in our daily lives But all of the souls have one thing in common they bring news that Earth is cleansing itself at a rapid pace and they are here to assist us through the cleansing and beyond Epic in scope Awakening of the Soul is a vital tool for those looking to the future and to the fate of Earth itself

The Dark Night of the Soul Gerald G. May, 2009-03-31 Now in paperback a distinguished psychiatrist spiritual counsellor and bestselling author shows how the dark sides of the spiritual life are a vital ingredient in deep authentic healthy spirituality Gerald G May MD one of the great spiritual teachers and writers of our time argues that the dark shadow side of the true spiritual life has been trivialised and neglected to our serious detriment Superficial and naively upbeat spirituality does not heal and enrich the soul Nor does the other tendency to relegate deep spiritual growth to only mystics and saints Only the honest sometimes difficult encounters with what Christian spirituality has called and described in helpful detail as the dark night of the soul can lead to true spiritual wholeness May emphasises that the dark night is not necessarily a time of suffering and near despair but a time of deep transition a search for new orientation when things are clouded and full of mystery The dark gives depth dimension and fullness to the spiritual life

Choose Life Simon Guillebaud, 2014-07-18 This unique set of daily readings from bestselling author Simon Guillebaud encourages the reader to live the Christian life without compromise and without restraint to live on full throttle and with utter abandonment to Christ Simon Guillebaud has lived in Burundi since his early twenties He takes unimaginable risks so much so that he didn't expect to live to the age of 30 He sees miraculous results time and again as he works tirelessly for the salvation peace and prosperity of the country he loves and daily gives his life for Burundi is a place where choices are vivid stark and sometimes deadly It is a front line state in a fragile democracy seeking to overcome a bloody past The spiritual battle between the forces of light and the repressive power of the local witchdoctors is very real It is in this context that Simon Guillebaud has learned the lessons he shares in this volume Succinct and engaging these daily reading cover a separate topic every day The range is striking and profound as Simon shares the things he has learned through the council of the Holy Spirit Those who engage with this unique devotional will be challenged and ultimately changed
