The A to Z of Iran John H. Lorentz, 2010-04-14 Iran is a country with a deep and complex history Over several thousand years Iran has been the source of numerous creative contributions to the spiritual and literary world and the site of many remarkable manifestations of material culture The special place that Iran has come to hold in contemporary historical events most recently as a center stage actor in the unfolding and interconnected drama of worldwide nuclear arms proliferation and terrorism is all the more reason to explore the characters and personality of Iran and Iranians The A to Z of Iran is designed to give the reader a quick and understandable overview of specific events movements people political and social groups places and trends Through its extensive chronology introduction bibliography appendixes and more than double the number of cross referenced dictionary entries as in the previous edition the work allows for considerable exploration of a number of historical and contemporary topics and issues In particular the modern period defined as 1800 present is covered extensively

Translating Rumi into

the West Amir Sedaghat, 2023-02-28 Focusing on Rumi the best selling Persian mystical poet of the 13th century this book investigates the reception of his work and thought in North America and Europe and the phenomenon of Rumimania to elucidate the complexities of intercultural communication between the West and the Iranian and Islamic worlds Presenting tens of examples from the original and translated texts the book is a critical analysis of various dimensions of this reception outlining the difficulties of translating the text but also exploring how translators of various times and languages have performed and explaining why the quality of reception varies Topics analysed include the linguistic and pragmatic issues of translation comparative stylistics and poetics and non textual factors like the translator s beliefs and the political and ideological aspects of translation Using a broad theoretical framework the author highlights the difficulties of intercultural communication from linguistic semiotic stylistic poetic ethical and sociocultural perspectives Ultimately the author shares his reflections on the semiotic specificities of Rumi s mystical discourse and the ethics of translation generally The book will be valuable to scholars and students of Islamic philosophy Iranian studies and translation studies but will appeal to anyone interested in the cultural dichotomies of the West and Islam

Forty Days Michaela Özelsel, 2002-05-28 This is a woman s firsthand account of a Sufi halvet a forty day retreat conducted in complete isolation along with strict fasting from sunrise to sundown Voluntarily confined to a sparsely furnished room amid the bustle of Istanbul Michaela zelsel will occupy her time with reading the Qur an and works of Rumi and Ibn Arabi and with praying and practicing the powerful Sufi exercise known as zhikr the rhythmic repetition of names of God or other sacred formulas accompanied by movements of the head or body In intimate detail Dr zelsel shares her experiences as she strives to attain true Islam in its meaning of surrender or unconditional acceptance of the will of God Her daily journal ranges over the frustrations of noisy neighbors power outages and a poorly heated room her inner longings doubts and memories of the life course that has brought her to this moment and the most inspirational philosophical insights dreams and visions and ecstatic raptures The second half of the book is devoted to the author s psychological and cultural commentary on her experiences including observations about the methods of Sufi schooling sexuality and spirituality and the relationship with the spiritual guide Forty Days is unique in the literature of spiritual education because it is informed by her knowledge of contemporary research from several disciplines thus creating a bridge between ancient wisdom and scientific investigation

The Essence of Rumi John Baldock, 2005-10-11 Get drunk on Love for Love is all that exists Unless you make Love your business you will not be admitted to the Beloved Divan i Shams i Tabriz 455 A1 54 The thirteenth century saint Jalaluddin Rumi has been called the greatest mystical poet of any age and his work compared to that of Dante and Shakespeare Over a period of 25 years he composed over 70 000 verses of poetry on the subjects of divine love mystic passion and ecstatic illumination Rumi was also a master story teller as this comprehensive exploration of his work so rewardingly reveals Primarily an introduction to Rumi and the path of self surrender it is arranged in such a way that it guides the reader from the poet s outer historical world to the inner spiritual essence of his teaching The

Essence of Rumi offers us the opportunity to overcome the limitations of our human view of the world and transform our sensory eye into the poet's all-seeing Ocean of Reality *Signs of the Unseen*, 1999-10-19 This translation of Rumi's *Fihri ma Fihri* should easily become the standard English edition of this important collection of his discourses, conversations, and commentaries on various and sundry topics. In many cases, the discussions preserved in this book provide the most sustained exposition available of Rumi's thought on a given topic *The Mysterion* Kabir Helminski, 2023-04-04 A contemporary exploration into the meaning and possibility of our human existence through the universal insights of the 13th-century Persian poet and Sufi mystic Rumi by pre-eminent Rumi translator Kabir Helminski. The 13th-century poet and mystic Rumi has become one of the most popular spiritual voices of our time, known and loved by people of many faiths and worldviews for his rich metaphors, images, poems, and stories. *The Mysterion* deepens our appreciation of his teachings by illuminating both the practical psychological dimension behind them as well as the universal spiritual truths they offer about what it means to be human. In this philosophical survey, Kabir Helminski, one of the foremost translators and writers of Sufi texts, gives us a contemporary lens through which to view and understand *The Mysterion*, the unifying concept that bridges the human and the divine and that connects the individual soul with spiritual Reality. This book is centered on that core unifying concept of *The Mysterion*, the essence and intrinsic meaning of being human. Rumi says Helminski would suggest that in our human existence we might accomplish many marvels, but they will amount to little if we neglect cultivating the divine potential within us. Like a mirror, he says, we can reflect a spectrum of divine qualities depending on how polished and clean our mirror is. Likewise, our mirrors can become distorted and corroded by egoism and negativity. Our practical work, says Helminski, and Rumi is to remove distortions from our souls and align ourselves with this higher-order reality and divine agency through humility, reverence, surrender, and love *Mevlana Rumi* Mohamed el Fers, 1992 *Levensbeschrijving van de 13e eeuwse grondlegger van de godsdienstige orde der wervelende Derwischen die door dansen in religieuze extase raken* *A Concise Companion to World Literature* Ken Seignourie, Paula Karger, 2025-12-22 Provides a student-friendly introduction to World Literature. Bridging the gap between introductory materials and advanced scholarly research, *The Concise Companion to World Literature* offers a streamlined selection of the most popular and essential essays from *The Companion to World Literature*, specifically tailored for undergraduate students and instructors. This single-volume resource, edited by Ken Seignourie and Paula Karger, presents 100 carefully curated chapters, fully revised for clarity and accompanied by newly commissioned essays. *The Concise Companion*, which retains the original work's three-tiered organizational structure (period essays, thematic bridge essays, and author title chapters), offers a nuanced exploration of major literary traditions across time and geography. Each entry contextualizes major literary works within the broader framework of global literary traditions, enriching discussions on periodization, literary movements, and cross-cultural connections. With its accessible scholarship and enhanced learning tools, it is a vital resource for students beginning their journey in World Literature and for educators.
