Anne Pieterse,2011-04-29 What if you brought me a white rose And placed the petals around my heart And then promised me We would never ever part Whisper by Anne Pieterse In 1998 Anne Pieterse and her husband took their family on a beach holiday Tragically their youngest son Kristo was swept away one day and they never saw him again Numb with pain Annes own grief and the betrayal of those closest to her dragged her on a downward spiral into a soul destroying depression It was a long journey through to the other side of grief in which she also had an affair and dramatic encounter with those who endured the 2004 South Asian Tsunami But after much soul searching Anne discovered the source that would propel her back into a positive appreciation of life love nature and self Rich with poetry and vivid descriptions of her life Journeying Beyond Grief is a moving account of Annes heartache how she faced her demons and moved on Powerful challenging and inspiring What if I whispered your name should motivate and encourage others undertaking a similar journey Living in The Story Charlotte Vaughan Coyle,2021-08-26 What kind of book is the Bible Is it a rulebook or a guidebook for moral living Is it a history book or a book filled with fascinating and sometimes fantastic stories Did humans write the Bible or did God somehow speak a perfect message that the authors transcribed Many people have asked these questions about the nature of this beautiful odd comforting disturbing book the church calls its Holy Scripture Charlotte Vaughan Coyle shares her own journey to make sense of the Bible in this read through the Bible in a year project She discovered that the crucial work of asking hard questions and even arguing with the Bible revealed the Scriptures to be a symphony of polyphonic voices a work of art that paints an alternative vision of reality a complex novel like story unavoidably embedded in its own culture and time and yet able to give witness to the God beyond history who has acted and continues to act within history With the heart of a pastor and the passion of a preacher Rev Coyle invites seekers and students both churchd and un churchd to strap on their scuba gear and join her for a deeper dive beneath the surface of

this immense colorful mysterious world of the Bible Dinah's story Ahmed musa,2024-12-14 Dinah's days became a blur of careful plotting The world outside her home continued as normal school friendships fleeting moments of distraction but inside her focus never wavered The people around her didn't know the turmoil that had become her constant companion Her teachers saw only a quiet polite girl who didn't raise her hand too often didn't seek the limelight Her classmates noticed the absence of her previous spark but none of them could understand the storm that raged within her She could never explain it never tell them that she was in the midst of planning something that would irrevocably change everything She couldn't risk revealing her thoughts her vulnerabilities Her emotions had become a carefully curated facade a mask that hid the darkness brewing just beneath the surface **In Love, in Pain Too** Janice Moss,2015-11-26 In Love in Pain Too Stories of Love Loss Betrayal and What to do Next Is a book about women and the emotional decisions about relationships that they make which affect their lives careers and families The manuscript studies how women behave in romantic relationships by taking a candid look at the destructive behaviors women adopt while trying to find and maintain love It is the rational mind in touch with the emotional seat of a woman's psyche The manuscript consists of five didactic stories detailing issues that many women have faced Each story is a real life scenario where a woman finds herself faced with important decisions that will force her look at her relationships and decide whether the love she feels is worth the pain that accompanies it Each of the five stories stops at a climatic point where the reader is provided with a list of questions which will determine one of three possible endings Each ending is different and yields different consequences and each woman has to make decisions about when it is appropriate for her to cut her losses and come to grips with a relationship where the love is overshadowed by pain In Love in Pain is romance novel meets self help It is therapy girlfriend style In Love In Pain can be simply an entertaining read about women in relationships or it can be a personal examination and self analysis device that women can use as an approach to positive emotional health The stories were designed to shed light on how a woman's behavior especially her decisions regarding the men in her life affects her life relationships and in many cases her children and loved ones In Love In Pain can be a very valuable tool in a woman's arsenal to help her choose partners more wisely decide what behavior is acceptable and when it is time to cut her losses This book will be especially valuable for those women who for whatever reason will not seek professional counseling and may be too embarrassed to discuss her problems with family and friends In Love In Pain focuses on how women respond to what we perceive as love and how they behave in order to try to keep that love The book reveals how women put themselves in physical emotional spiritual and oftentimes physical danger to stay in a relationship that is not nourishing supportive or fulfilling In Love In Pain also divulges how women conspire against other women by dating men who are committed to others and supporting men in dishonest schemes In Love in Pain illustrates how women will accept crumbs and tell themselves that they should be grateful for them and additionally how much women will give up even when they don't get anything in return The book does not give advice as to what action each woman should take

it merely points out the consequences of various decisions It is designed to be a non judgmental self help counseling guide where women are allowed to make decisions toward healthy or dysfunctional relationships In Love in Pain allows women to analyze their own behavior patterns in relationships and decide to make changes or not *Reclaiming Your Story* Merle R. Jordan,1999-01-01 Merle Jordan argues that many people spend their adult lives struggling to distinguish between the imperatives of divine authority and the deeply rooted psychological authority of family structures Employing the wisdom of his experience as a pastoral psychologist as well as the insights of clinical researchers and therapists Jordan offers ways to demythologize false absolutes and to refocus distorted maps of reality **Christmas Eve Love Story** Ginny
