Love Story D. A. Fletcher,2012-06-20 Being a Christian does not mean never having to say you re sorry that s ridiculous In fact we American Christians may have so much to apologize for before we can begin to mount an apologetic we seem to have lost our voice with the lost and all credibility for the Gospel In each our own individual act of idolatry we have each chosen our own Jesus to match our beliefs rather than choosing our beliefs to match Jesus We have recreated God in our own image and we have lost our way Love Story isolates on some large vitally important ways that we have drifted from our faith making it much more American than Godly we have become idolators of individualism freedom democracy capitalism and even idolators of America itself We have little understanding of suffering little to say about the meaning of life and we ve missed entirely the spectacular nature of the universe and life We have much to unlearn before we can dare to speak of our faith
