My daughter LOVED this book as well as myself too. It is fun to her to see her name listed in the book to color. SC: Great for all ages. Gave this to our preschool director and she teared up. Growing up with a unique name, she never had anything personalized. This coloring book is done so nicely. I thought she would keep it in her office for kids to make their pictures when needing to keep them occupied but she loved it so much I don't think she'll hand it over. Might have to buy her a second one for actual use. Going to buy for twin 5 year olds too. OG: Delightful coloring book. My niece and her daughter were delighted. Let the coloring begin. Patricia: A Perfect personal gift to tell
