Locating information on women is difficult and the editors have done a fine job assembling and publishing information extant on individual women from many nations both living and dead. Because in some cases only birth marriage children and death dates are known the 10 000 articles vary in length according to the subject. If you haven't been able to answer reference questions on women you need this set. Outstanding Reference Sources American Libraries May 2001

Women in World History Anne Commire, 1999. Presents biographical profiles of significant women from throughout the history of the world each with birth and death dates when known a time line quotation and references. Arranged alphabetically from Aak Azz and including ninety genealogical charts.
