Loves Executioner And Other Tales Of Psychotherapy:

Love's Executioner Irvin D. Yalom, 2012-06-05 A NEW YORK TIMES BEST SELLER An utterly absorbing collection of ten classic tales from the therapist's chair by renowned psychiatrist and best selling author Irvin D Yalom Newsday Why was Saul tormented by three unopened letters from Stockholm What made Thelma spend her whole life raking over a long past love affair How did Carlos's macho fantasies help him deal with terminal cancer In this engrossing book Irvin Yalom gives detailed and deeply affecting accounts of his work with these and seven other patients Deep down all of them were suffering from the basic human anxieties isolation fear of death or freedom a sense of the meaninglessness of life that none of us can escape completely And yet as the case histories make touchingly clear it is only by facing such anxieties head on that we can hope to come to terms with them and develop Throughout Dr Yalom remains refreshingly frank about his own errors and prejudices his book provides a rare glimpse into the consulting room of a master therapist **Love's Executioner** Irvin D. Yalom, 1991 Contains eight case studies of people the author has treated including a woman of 67 obsessively pining with love for her 32 year old previous therapist and a woman of 19 stone who has emotional difficulties because of her weight problem This title includes stories that reveal the diversity of human motivation **Love's Executioner and Other Tales of Psychotherapy** Irvin D. Yalom, 2013 In this book psychotherapist Irvin Yalom gives accounts of his work with patients Their case histories lay bare human anxieties isolation fear of death or freedom a sense of the meaninglessness of life that few of us escape completely and show how we can all come to terms with such fears **Loves Executioner and Other Tales of Psychotherapy** Irvin D. Yalom, 1980 *Creatures of a Day* Irvin D. Yalom, 2015-02-24 The publication of *Creatures of a Day* is reason to celebrate Steven Pinker In this stunning collection of stories renowned psychiatrist Irvin D Yalom describes his patients struggles as well as his own to come to terms with the two great challenges of existence how to have a meaningful life yet reckon with its inevitable end We meet a nurse who must stifle the pain of losing her son in order to comfort her patients pains a newly minted psychologist whose studies damage her treasured memories of a lost friend and a man whose rejection of psychological inquiry forces even Yalom himself into a crisis of confidence *Creatures of a Day* is a radically honest statement about the difficulties of human life but also a celebration of some of the finest fruits love family friendship it can offer Marcus Aurelius has written that we are all creatures of a day With Yalom as our guide we will find the means to make our own day not only bearable but also meaningful and joyful **Handbook of Experiential Psychotherapy** Leslie S. Greenberg, Jeanne C. Watson, Germain Lietaer, 1998-10-08 Integrating the work of leading therapists the book covers both conceptual foundations and current treatment applications The volume delineates a variety of experiential methods and describes newly developed models of experiential diagnosis and case formulation **Momma And The Meaning Of Life** Irvin D. Yalom, 2014-03-25 As the public grows disillusioned with therapeutic quick fixes people are looking for a deeper psychotherapeutic experience to make life more meaningful and satisfying What really happens in

therapy What promises and perils does it hold for them No one writes about therapy or indeed the dilemmas of the human condition with more acuity style and heart than Irvin Yalom Here he combines the storytelling skills so widely praised in *Love's Executioner* with the wisdom of the compassionate and fully engaged psychotherapist In these six compelling tales of therapy Yalom introduces us to an unforgettable cast of characters Paula who faces death and stares it down Magnolia into whose ample lap Yalom longs to pour his own sorrows Irene who learns to seek out anger and plunge into it And there's Momma old fashioned ill tempered who drifts into Yalom's dreams and tramples through his thoughts At once wildly entertaining and deeply thoughtful *Momma and the Meaning of Life* is a work of rare insight and imagination
