Gender, Power, and Non-Governance Andria D. Timmer,Elizabeth Wirtz,2022-05-13 Using Sherry Ortner s analogy of Female Nature Male Culture this volume interrogates the gendered aspects of governance by exploring the NGO State relationship By examining how NGOs States perform gendered roles and actions and the gendered divisions of labor involved in different types of institutional engagement this volume attends to the ways in which gender and governance constitute flexible relational and contingent systems of power The chapters in this volume present diverse analyses of the ways in which projects of governance both reproduce and challenge binaries *New York Magazine* ,1996-02-19 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and

excitement of the city itself while celebrating New York as both a place and an idea *Contagion and the Shakespearean Stage* Darryl Chalk, Mary Floyd-Wilson, 2019-06-17 This collection of essays considers what constituted contagion in the minds of early moderns in the absence of modern germ theory In a wide range of essays focused on early modern drama and the culture of theater contributors explore how ideas of contagion not only inform representations of the senses such as smell and touch and emotions such as disgust pity and shame but also shape how people understood belief narrative and political agency Epidemic thinking was not limited to medical inquiry or the narrow study of a particular disease Shakespeare Thomas Middleton Ben Jonson Thomas Dekker and other early modern writers understood that someone might be infected or transformed by the presence of others through various kinds of exchange or if exposed to certain ideas practices or environmental conditions The discourse and concept of contagion provides a lens for understanding early modern theatrical performance dramatic plots and theater going itself *General Catalogue of Printed Books* British Museum. Hidden Faces: Covered Portraits of the Renaissance Alison Manges Nogueira, 2024-04-02 Many small Renaissance portraits were richly adorned with covers or backs bearing allegorical figures mythological scenes or emblems that celebrated the sitter and invited the viewer to decipher their meaning Hidden Faces includes seventy objects ranging in format from covered paintings to miniature boxes that illuminate the symbiotic relationship between the portrait and its pair Texts by thirteen distinguished scholars vividly illustrate that the other faces of these portraits represent some of the most innovative images of the Renaissance created by masters such as Hans Memling and Titian Uniting works that have in some cases been separated for centuries this fascinating volume shows how the multifaceted format unveiled the sitter's identity both by physically revealing the portrait and reading the significance behind its cover *Sounds Australian*, 2001

Resources in Education, 2000-10 Current Catalog National Library of Medicine (U.S.), 1983 First multi year cumulation covers six years 1965-70 **The Tira de Tepechpan** Lori Boornazian Diel, 2009-09-15 Created in Tepechpan a relatively minor Aztec city in Central Mexico the Tira de Tepechpan records important events in the city's history from 1298 through 1596 Most of the history is presented pictographically A line of indigenous year signs runs the length of the Tira with images above the line depicting events in Tepechpan and images below the line recording events at Tenochtitlan capital of the Aztec empire and later the seat of Spanish rule Written annotations amplify some of the images In this volume which includes color plates of the entire Tira Lori Boornazian Diel investigates the motives behind the creation and modification of the Tira in the second half of the sixteenth century She identifies the Tira's different contributors and reconciles their various histories by asking why these painters and annotators working at different times recorded the events that they did

Comparing the Tira to other painted histories from Central Mexico Diel demonstrates that the main goal of the Tira was to establish the antiquity autonomy and prestige of Tepechpan among the Central Mexican city states that vied for power and status in the preconquest and colonial worlds Offering the unique point of view of a minor city with grand ambitions this study of the Tira reveals imperial strategy from the grassroots up showing how a subject city negotiated its position under Aztec and Spanish control *Schwann Spectrum* ,1996 Catalog of Copyright Entries.
