The Gay Detective Novel Judith A. Markowitz, 2015-02-16 Gertrude Stein called it the only really modern novel form that has come into existence yet the mystery genre was a century old before it featured its first gay main character in a novel Since then gay and lesbian detective fiction has been one of the fastest growing segments of the genre It incorporates gay

and lesbian cultural elements and offers crossover appeal Its authors call upon a century of development in the mystery genre while providing new more accurate images of lesbians and gay men than generally found in mainstream literature and popular media This groundbreaking study of gay and lesbian detective fiction examines mystery series and historically significant stand alone novels published since the early 1960s Part I is an overview that describes how these novels make gay and lesbian life visible and forge new powerful images It also examines how they fit into the larger history of mystery fiction The series analyses in Part II are grouped according to the type of main character police officer private investigator amateur sleuth etc Each section discusses main and secondary characters of that type characteristic themes for the group and more The analyses of individual series cover main characters themes plot points and other elements Comments from authors interviewed for this book play a central role in those analyses Part III lists series spanning themes e g homophobia the closet gay marriage and the novels and series that address each of those themes

Planetary Purpose Come Grow with Me...

Parsippany Bea,2023-02-20 Planetary Purpose is a series of small childrens books reflecting upon childhood growth and development As an educator I have witnessed many children with worry and fear as Markus the box turtle exhibits in this series These playful characters are all personified by those I have come to teach and meet throughout decades of experiences Elephant Blue a bumble bee the butterfly or a banana tree each have a story to tell Each character has an emotional conflict and a resolution for continuing their individual growth To understand our anxieties and feelings are true To allow patience and forgiveness upon ourselves is evident We have a planetary purpose as writers and creators to educate Allowing families to feel we are all safe trusted and are all exploring at our own pace and rates Through these series the books will grow as our children We will continue to add stages of development throughout childhood into adolescence The storytelling will grow with your children As a writer there will always be another story to tell another mountain to climb or ocean to change within the tides Enjoy God bless and thank you for reading to children Love Parsippany Bea
