Quivering Families Emily Hunter McGowin, 2018-05-01 American evangelicals are known for focusing on the family but the Quiverfull movement intensifies that focus in a significant way Often called Quiverfull due to an emphasis on filling their quivers with as many children as possible Psalm 127 5 such families are distinguishable by their practices of male only leadership homeschooling and prolific childbirth Their primary

aim is multigenerational faithfulness ensuring their descendants maintain Christian faith for many generations Many believe this focus will lead to the Christianization of America in the centuries to come Quivering Families is a first of its kind project that employs history ethnography and theology to explore the Quiverfull movement in America The book considers a study of the movement s origins its major leaders and institutions and the daily lives of its families Quivering Families argues that despite the apparent strangeness of their practice Quiverfull is a thoroughly evangelical and American phenomenon Far from offering a countercultural vision of the family Quiverfull represents an intensification of longstanding tendencies The movement reveals the weakness of evangelical theology of the family and underlines the need for more critical and creative approaches

Becoming Free Indeed Jinger Vuolo, 2023-01-31 New York Times Bestseller on disentangling faith but keep your belief in Jesus intact Jinger Vuolo the sixth child in the famous Duggar family of TLC s 19 Kids and Counting and Counting On recounts how she began to question the unhealthy ideology of her youth and learned to embrace true freedom in Christ When Jinger Duggar Vuolo was growing up she was convinced that obeying the rules was the key to success and God s favor She zealously promoted the Basic Life Principles of Bill Gothard fastidiously obeying the modesty guidelines no shorts or jeans only dresses eagerly submitting to the umbrella of authority any disobedience of parents would place her outside God s protection promoting the relationship standard of courtship and avoiding any music with a worldly beat among others Jinger along with three of her sisters wrote a New York Times bestseller about their religious convictions She believed this level of commitment would guarantee God s

blessing even though in private she felt constant fear that she wasn't measuring up to the high standards demanded of her. In *Becoming Free Indeed*, Jinger shares how in her early twenties a new family member, a brother-in-law who didn't grow up in the same tight-knit conservative circle as Jinger, caused her to examine her beliefs. He was committed to the Bible but he didn't believe many of the things Jinger had always assumed were true. His influence, along with the help of a pastor named Jeremy Vuolo, caused Jinger to see that her life was built on rules, not God's Word. Jinger committed to studying the Bible, truly understanding it for the first time. What resulted was an earth-shaking realization: much of what she'd always believed about God, obedience to His Word, and personal holiness wasn't in line with what the Bible teaches. Now, with a renewed faith and personal conviction, *Becoming Free Indeed* shares what it was like living under the tenants of Bill Gothard, the Biblical truth that changed her perspective, and how she disentangled her faith with her belief in Jesus intact.

Counting the Cost Jill Duggar, 2025-02-11 For the first time, discover the unedited truth about the Duggars, the traditional Christian family that captivated the nation on TLC's hit show *19 Kids and Counting*. Jill Duggar and her husband Derick are finally ready to share their story, revealing the secrets, manipulation, and intimidation behind the show. In this no-holds-barred People Instant New York Times bestseller, Jill and Derick knew a normal life wasn't possible for them. As a star on the popular TLC reality show *19 Kids and Counting*, Jill grew up in front of viewers who were fascinated by her family's way of life. She was the responsible second daughter of Jim Bob and Michelle's nineteen kids, always with a baby on her hip and happy to wear the modest, ankle-length dresses with throat-high necklines. She didn't protest the strict model of patriarchy that her family followed, which declares that men are superior, that women are expected to be wives and mothers, and are discouraged from attaining a higher education, and that parental authority over their children continues well into adulthood, even once they are married. But as Jill got older, married Derick, and they embarked on their own lives, the red flags became too obvious to ignore. For as long as they could, Jill and Derick tried to be obedient family members, but now they're raising a family of their own, and they're done with the secrets. Thanks to time, tears, therapy, and blessings from God, they have the strength to share their journey. Theirs is a complicated, remarkably relatable story of faith and family loyalty, a Salon and a moving example of how to find healing through honesty.

The Hope We Hold Jeremy Vuolo, Jinger Vuolo, 2021-05-04 Stars of TLC's *19 Kids and Counting* and *Counting On*, Jeremy and Jinger Vuolo share their love story, a behind-the-scenes glimpse into their lives together, and the hope that drives them every day. Jinger Duggar Vuolo did not have what you'd call a typical childhood. The sixth child of Jim Bob and Michelle Duggar's nineteen, she grew up with the bright lights of television crews in her home, filming the hit TLC show *19 Kids and Counting*. Jinger has always been a fan favorite, and now she and her husband Jeremy are the breakout stars of the show's sequel *Counting On*. In *The Hope We Hold*, Jeremy and Jinger Vuolo share the highs and lows of their love story. They open up about the early days of getting to know one another, their long-distance relationship, and the many sleepless nights of their time as new parents. But throughout all their stories, just below the surface, weaving together every triumph

and trial of their lives is the silver thread of hope Though they don't pretend to have all the answers they can promise that there is hope in Christ for every person in every walk of life There is an inheritance of glory a life richer than we can imagine if we only walk with Him
