Christianity Weird Michael Frost, 2018 Jesus is different Go and do likewise Many Christians have become comfortable with letting the world mold them instead of being set apart by God And many churches have traded in their biblical roots for complacent conventionality But Jesus and the church are anything but conventional The hallmark of our faith is that it sees the world differently than the world sees itself We are called to be eccentric off center unique different not conformed to the patterns of the world but transformed by the renewing of our minds By God s grace we are not only dissatisfied by sin but also increasingly uncompelled by conventionality So resist the allure of acceptability Get back to the unsafe roots of our faith Be equipped to surprise the world with the Good News it didn t even know it was waiting for Challenge the way things are by living a life that has been truly set free by Christ **Unraveled** Laura Cook Boldt, Tom H. Boldt, 2020-11-10 With intense

courage and candor mother and son coauthors Laura and Tom Boldt share the raw accounting of Tom s journey into alcohol and drug addiction and how that trauma reverberated throughout their circle of family friends and extended family The book also charts Laura who has a backstory She is more than a mother standing by watching the life of her promising young son come undone She has struggled with alcohol addiction firsthand but remains emotionally and physically sober and present

for her son during his collision course with disaster The Boldt family's love and compassion is palpable as they work their way through deep fear sleepless nights and crushing setbacks This is a riveting portrayal of the agonies of addiction and how one family faced their issues and found a stronger more sustainable path forward Many readers will undoubtedly see themselves in these stories and will come away with an abiding sense of hope not just for Tommy and Laura but for themselves too The writing in *Unraveled* is brilliant and fresh and the two voices working together and against each other makes *Unraveled* even more memorable Tommy's gift for zingy one liners energizes the story and contrasts cleverly with Laura's witty yet measured and concerned maternal tone *Unraveled* is a tale of chaos and near death experiences that shares personal and private moments and the intense challenges and grueling work it takes to get sober and remain sober It's a unique story of a mother and son's journey that ends with on your knees epiphanies that leave both parent and child asking for help This tandem narrative is a compelling testimony of bravery and honesty that with edgy and surprising humor charts a family's slow climb out of the abyss of pain into the full power of faith redemption and healing **Friday's Child** Claire Gerrard, 2017-10-13 What if you stumbled across a portal to another world Would you risk entering This is the dilemma Friday our young heroine faces in a quirky and enchanting faery tale Friday is an extraordinary child and nothing is quite as it seems in the magical world she shares with a delightfully eccentric cast of memorable characters Courage compassion creativity resourcefulness acceptance of gifts and differences are some of the lessons learned with deeper meaningful threads of eco awareness and spirituality woven into the fabric of this compelling unique and richly author illustrated story
