Heroes And Heroines Tlingit Haida Legend:

Heroes and Heroines Mary Giraudo Beck, 2003-06-01 Mary Beck's collection of legends from Tlingit and Haida folklore provides an excellent look at not only the mythology but the value and culture of these Southeast Alaska Natives. Jan O Meara Homer News. Over uncounted generations the Tlingits and Haidas of Southeast Alaska developed a spoken literature as robust and distinctive as their unique graphic art style and passed it from the old to the young to ensure the continuity of their culture. Even today when the people gather now under lamplight rather than the flickering glow from the central fire pit the ancient myths and legends are told and retold and they still reinforce the unity of the lineage and clan and the culture. Mary Beck opens this collection of legends by setting the tradition scene. It will be a time of feasting, singing and dancing of honoring lineages and of telling ancestral stories. In this small beautifully produced volume enhanced by the wonderful illustrations by Nancy DeWitt Beck, she tells nine traditional ancient myths and legends from the oral literature that are authentic for one group or another from this region including Fog Woman, Volcano Woman, Bear Mother and The Boy Who Fed Eagles. Bill Hunt Anchorage Daily News.

Heroes And Heroines Mary L. Beck, 2003-06-01 *Earth Tales from Around the World* Michael J. Caduto, 1997 These stories from around the world grew from the very earth upon which they were first told.

American Regional Folklore Terry Mood Leopold, 2004-09-24 An easy to use guide to American regional folklore with advice on conducting research, regional essays and a selective annotated bibliography. *American Regional Folklore* begins with a chapter on library research including how to locate a library suitable for folklore research, how to understand a library's resources and how to construct a research strategy. Mood also gives excellent advice on researching beyond the library, locating and using community resources like historical societies, museums, fairs and festivals, storytelling groups, local colleges, newspapers and magazines and individuals with knowledge of the field. The rest of the book is divided into eight sections, each one highlighting a separate region: the Northeast, the South and Southern Highlands, the Midwest, the Southwest, the West, the Northwest, Alaska and Hawaii. Each regional section contains a useful overview essay written by an expert on the folklore of that particular region, followed by a selective annotated bibliography of books and a directory of related resources.

Shamans and Kushtakas Mary Giraudo Beck, 2003-06-01 Shaman and Kushtaka both struck terror in the hearts of the Tlingit and Haida for both possessed frightening supernatural powers. Among the Natives of the Pacific Northwest Coast, the shaman was honored as a person who could heal the body and spirit as well as see into the future. In his struggles to protect his people, he fought the kushtaka, an evil spirit being who was half human and half land, hotter for the souls of dying persons. There was a battle between the forces of good and evil and today it remains a cornerstone in Tlingit and Haida mythology. Mary Giraudo Beck provides a powerful mix of history, legend and adventure to dramatize the values and traditions of Tlingit and Haida societies. The heroic and wondrous incidents in these stories transcend time and culture and as tales of myth and magic provide compelling reading for young and old alike.
