Brinkman's alphabetische catalogus van boeken ... ,1956 **Old Testament Quotations in Hebrews** Georg Walser,2013 This thesis aims at investigating the use of the Old Testament in the New and in Hebrews specifically focusing on two aspects which appear to have been somewhat neglected in previous scholarship namely the text and context of specific quotations The aspect of text takes the complicated textual history of the Old Testament into account especially concentrating on the findings of recent Septuagint research and particularly the possibility that different Hebrew texts may underlie the Greek translation The aspect of context draws on the assumption that Hebrews was composed in a Jewish context where the Old Testament text had been interpreted for a long time It is also presupposed that this exegesis was handed down along with the Hebrew Scriptures not only in the post Second Temple Jewish community but also in the early Church Hence primary sources such as Talmud Midrash and early Church Fathers are consulted with the intention of better understanding the interpretation of the Old Testament quotations in Hebrews To do this three Old Testament texts which exist in distinctly different versions and have been quoted in Hebrews have been examined namely Gen 47 31b in Heb 11 21 Ps 40 7b in Heb 10 5 and Jer 31 33 in Heb 8 10 and 10 16 The outcome of this study shows that several versions of Old Testament texts were interpreted at the time of the New Testament and that the peculiarities of the different versions had a decisive impact on the exegesis of the texts Further it shows that some versions of the texts were favoured in the Jewish context while others were preferred in the early Church Hence different understandings of Old Testament passages in different contexts are sometimes not the result of different interpretations of the same texts but of the exegesis of different versions of the same text *Peter Between Jerusalem and Antioch* Jack J. Gibson,2013 Why did Peter cease eating with the Gentile Christians at Antioch Gal 2 11 14 after defending his decision to eat with Cornelius before the entire Jerusalem church Acts 11 1 18 Beginning with a character study of Peter throughout the Gospels and Acts Jack Gibson demonstrates that Peter is consistently portrayed as being a faithful disciple whose pre Pentecost impetuosity is due to a lack of understanding of the message of Jesus and his post Pentecost boldness is due to his newly revealed understanding of this message The historical background to the Antioch incident is considered with special consideration given to the Jewish response to Roman rule Peter's relationship with James and Paul is analyzed culminating in an evaluation of Peter's motivations for ceasing to eat with the Gentiles Reader's Guide to Judaism Michael Terry,2013-12-02 The Reader's Guide to Judaism is a survey of English language translations of the most important primary texts in the Jewish tradition The field is assessed in some 470 essays discussing individuals Martin Buber Gluckel of Hameln literature Genesis Ladino Literature thought and beliefs Holiness Bioethics practice Dietary Laws Passover history Venice Baghdadi Jews of India and arts and
