occasionally followed by a numerical suffix for example Type 984 9 The suffix number identifies model variations and or year of manufacture within each Type group Unfortunately the use of the Type number is extremely model specific and in order to eliminate any confusion the data included in this manual is appropriate for the Single exhaust Pipe 4 speed and 5 speed CZ Motocross Enduro and Ruff Country models However for the sake of completeness the manual states that coverage includes the following model Types Type 984 125cc Motocross Type 968 250cc Motocross Single Pipe Type 980 250cc Motocross Type 988 250cc Enduro Type 969 360cc Motocross Single Pipe Type 981 380cc Motocross From 1964 to 1966 the Type 968 and Type 969 were available with Twin Pipe engines they are not covered in this manual However as many of the other mechanical components are shared with the Single Pipe machines this manual will also be of use to owners of those Twin Pipe models We encourage you to exercise caution when purchasing technical publications for your classic motorcycle or automobile as many of the reprints found on internet websites are from bedroom sellers at enticingly low prices by individuals that really have no idea what they are selling Many are nothing more than poor quality digital comb bound or ring bound photocopies that are scanned or printed complete with greasy pages and thumbprints and as such are deceptively described as pre owned used or even refurbished In addition they are often advertised for the incorrect series and or model years However VelocePress com has been publishing reprints of motorcycle and automobile manuals since 2003 and our publications have earned excellent reviews worldwide so you can be assured you are purchasing a quality product
