Duoethnography in English

Language Teaching Robert J. Lowe,Luke Lawrence,2020-02-05 This book sets out duoethnography as a method of research reflective practice and as a pedagogical approach in English Language Teaching ELT The book provides an introduction to the history of duoethnography and lays out its theoretical foundations The chapters then address duoethnography as a research method which can be used to explore critical and personal issues among ELT teachers discuss how duoethnography as a reflective practice can aid teachers in understanding themselves their colleagues or their context and demonstrate how duoethnography can be used as a pedagogical tool in ELT classrooms The chapters are a range of duoethnographies from established and emerging researchers and teachers which explore the interplay between cultural discourses and life histories with a focus on ELT in Japan

Sensors in Agriculture Dimitrios Moshou,2019-06-12 Agriculture requires technical solutions for increasing production while lessening environmental impact by reducing the application of agro chemicals and increasing the use of environmentally friendly management practices A benefit of this is the reduction of production costs Sensor technologies produce tools to achieve the abovementioned goals The explosive technological advances and developments in recent years have enormously facilitated the attainment of these objectives removing many barriers for their implementation including the reservations expressed by farmers Precision agriculture and smart farming are emerging areas where sensor based technologies play an important role Farmers researchers and technical manufacturers are joining their efforts to find efficient solutions improvements in production and reductions in costs This book brings together recent research and developments concerning novel sensors and their applications in agriculture Sensors in agriculture are based on the requirements of farmers according to the farming operations that need to be addressed

Language Textbooks in the era of Neoliberalism Pau Bori,2018-02-15 This book examines how neoliberalism finds expression in foreign language textbooks Moving beyond the usual focus on English Pau Bori explores the impact of neoliberal ideology on Catalan textbooks By comparing Catalan textbooks to English textbooks this book interrogates the similarities and differences between a minor and a global language in the age of neoliberalism Drawing on insights from critical theory and critical pedagogy this study provides a fresh perspective on foreign language textbooks and second language education more broadly Language Textbooks in the Era of Neoliberalism paves the way for new critical perspectives in language education that will challenge the current hegemony of neoliberalism
