Library Of Walking Jesus Through Old Testament:

Walking with Jesus through the Old Testament Paul Stroble, 2015-12-02 On a seven mile journey from Jerusalem to Emmaus the resurrected Jesus captivated two travelers with stories from the Old Testament pointing to his life and death Walking with Jesus through the Old Testament invites readers to embark on this journey with Christ throughout the Lenten season Stroble imagines what Jesus would have said to his companions and guides readers along the way with forty six devotions referencing the Old Testament A prayer and a set of digging deeper activities are also included to help readers engage with each reflection on a personal level Readers will ultimately come to the Easter celebration with a fuller understanding of God's promise fulfilled by Jesus death and resurrection

A Brief Walk through the Books of the Old Testament Tony Smith, 2022-11-03 The Old Testament is a formidable book a historic journey moving from creation through the time of Noah and the flood to Abraham and his descendants Moses and the children of Israel high priests judges kings and the spoken words of God through the prophets In my studies of the books of the Old Testament I find that God's purpose and revelations are obscured with pages and pages of detail that makes for cumbersome reading and a somewhat distant grasp of its inspirations I wrote this book to summarize the main points from Genesis to Malachi and to provide the historical elements such as dates to tie the story to historical settings and events I have also pointed out along the way the presence of Christ and the Holy Spirit in these Old Testament writings Most of the books of the Old Testament are prophetic There were approximately eight hundred prophecies in the Old Testament and a large portion approximately six hundred have been fulfilled There is not a single biblical prophecy that pertains to a time that has now passed that is not fulfilled My goal is for this writing to serve as an easy and comfortable format for the reader to get to know God who we are to Him why we are here and to discover His wonderful pathway leading to eternal life I want to reach those who are led to the Word of God and upon opening up a Bible and reading a few pages become discouraged by its vastness and disconnect of such long ago times The Old Testament truly has a long but remarkable timeline of history and I have endeavored to tie its writings accordingly in a brief walk through these inspired books of the Word of God
