wonderfully illustrated trip into an apple orchard where an old apple tree resides Watch the old apple tree wake from her
deep winter slumber as the spring sunshine turns the orchard into an explosion of colors smells and sounds Suddenly the
trees in the orchard are bursting with blossoms and the honey bees gather pollen and nectar Watch the little blossoms
develop into beautiful red delicious apples When the summer days grow shorter and the nights get colder the old apple tree
is happy to share her apples with the farmer and the apples are sold at the market Some apples are pressed into juice some
are cooked and made into apple sauce and some apples from the old apple tree are cooked in apple pies But one lucky apple
is taken home by a young brother and sister who learn from their mother that the little seeds inside of their apple slices can
grow into an apple tree if the seeds are planted and nurtured Years pass and the children forget about the little apple tree
they planted many years prior But one year as the summer days get shorter and the nights grow colder the now grown
children take their own children to the orchard and discover that the old apple tree has been replaced by the tree they had
nurtured many years previous as children The cycle is repeated as their own children enjoy apple slices from the very tree
they had planted as children A fun entertaining and educational story with illustrations that will brighten your day Get your
