supplies and it is informed with a simplicity which history can never hope to attain We have here reproduced in these records with a faithfulness that is amazing the spirit of those dark days that are no more Tragedy shakes hands with what seems to be trivial and the commonplaces of every day life seem to move forward with the gray battalions that went forth to war It is a gentle a faithful and a tender hand that guides the pen a soul nerved to sacrifice that tells the tale For the rest let the records speak for themselves About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
